Additional Information

- **Premium Conversion:**
 - If the enrollment status is marked as 'AUTOMATIC', you must notify your employer in writing to decline enrollment in this benefit. Premium Conversion is subject to the change in status rules and is considered an election equal to the amount of your premium deductions.
- **Health Care Flexible Spending Arrangement ("Health Care FSA"):**
 - Reimbursement will only be available for qualifying medical care expenses as set forth in the Plan Document and Section 213 of the Internal Revenue Code. It is your responsibility to check the eligibility of an expense prior to enrollment.
 - Group Medical Plan Premiums cannot be reimbursed through the Health Care FSA and will be deducted pre-tax through the Premium Conversion Plan. Therefore, do not include the cost of premiums in your FSA annual election amount.
- **Day Care Flexible Spending Arrangement ("Day Care FSA")**
 - Reimbursement will be available only for qualifying day care expenses as described in the Internal Revenue Code Section 129, the Plan document and the Summary Plan Description.
 - Participation in a Day Care FSA will require you to complete tax form 2441 when filing federal taxes. If your plan includes a Grace Period any amounts carried forward or forfeited during a taxable year should be entered in Line 13 of Form 2441. If you or your spouse are a full-time student, please consult IRS Publication 503.
 - If the Plan Year is less than twelve (12) months, the plan limit may be prorated to be less than the \$5,000 calendar year limit mandated by the IRS.

Additional Information Regarding Grace Period and Run-Out

- The Grace Period feature gives you an additional 2 ½ months to incur expenses against your Health Care and Day Care Plans.
- All expenses submitted during the grace period will automatically deduct out of the prior year's account, and any remaining balance will then be applied to the current plan year.
- For example, you have \$100.00 remaining in your 2009 health care plan. On January 30th 2010, you incur an expense for \$200.00. Upon approval of your claim, your reimbursement will automatically disburse \$100.00 from your 2009 plan year. This will clear the remaining balance. The residual \$100.00 will disburse from your current plan year.
- Under this plan, you'll have a 90-day claims run-out period after the end of the plan year to submit claims.

Lost Checks and Reissues

- Lost or stale dated FSA checks can be reissued 10 business days after the original check date. There is a \$25.00 check reissue fee. The check reissue request will require at least one business day to process.

Direct Deposit

- All electronic funds transfers (EFT) will be initiated on the same day as the normal check reimbursement date. Deposits may take up to two (2) business days to appear in the designated account.
- Returned items due to incorrect banking information will be assessed a \$10.00 fee that will be deducted from your FSA balance.

Deductions

- FSA deductions will be deducted from your paycheck evenly throughout the plan year. You must indicate an annual election and a per paycheck deduction on your enrollment form.

Change in Status

- All elections set forth are considered irrevocable for the entire plan year unless there is a qualifying change in status. Please consult the plan document or summary plan description for a list of qualifying events.
- In the event of a change in status the change in election must be necessitated by and consistent with the change in status and the change must be acceptable under IRS Regulations.

Eligibility

- Independent contractors and self employed individuals are not eligible to participate in the Plan. Self employed individuals include: Sole Proprietors of their own business; General Partners in a general partnership and General Partners in a limited partnership; Limited Partners of partnerships with guaranteed payments; more than 2% Shareholders of an S corporation as well as the spouse, children, parents and grandparents of a more than 2% Shareholder; and non-employee Members of an LLC. It is your responsibility to determine your eligibility.
- Expenses must be incurred during the plan year and while you are an active participant in the plan. Any expense incurred prior to your effective date or after your termination date cannot be reimbursed.

Ineligible Benny Card Expenses

- The IRS provides the following 3 methods for correcting the reimbursement of an ineligible Benny Card Charge. A participant must: a) repay the plan for the amount of the ineligible expense, or b) request the substitution or offset of future claims to repay the plan. If neither option "a" nor "b" is successful the final option illustrated by the IRS permits the employer to deduct the ineligible expense from the participant's wages or other compensation consistent with federal and state law.
- For example, if you use the card for an ineligible expense the card will be suspended to prevent further use. We will reactivate the card once you reimburse the plan for the amount of the ineligible expense. If you do not reimburse the plan the card will remain suspended. You may still submit claims via fax or mail and, upon request; we will substitute or offset those future claims against the amount of the ineligible expense until the amount of the ineligible expense is repaid. If you do not repay the plan or substitute or offset future claims against the amount of the ineligible expense your employer may withhold the improper payment amount from your wages or other compensation consistent with applicable federal or state law.

Lost or Stolen Benny Card

- Participant will be charged \$10.00 for the reissue of any lost, stolen, or otherwise misplaced Benny Card. The fee will be deducted from the participant's Health Care FSA.
