Revised (10/01)  
Manual Ref. L12.8-2**DECLARATION OF CITIZENSHIP  
OR IMMIGRATION STATUS****NOTICE – You Only Need to Declare Citizenship or Status Once**

If you or your household members have not declared citizenship or eligible immigration status, you will only need to sign this form once. Household members who signed this form **DO NOT** need to sign it again, as long as a copy of the declaration is in the resident file

Section 214 of the Housing and Community Development Act of 1980, as amended, requires the Seattle Housing Authority (SHA) and the Department of Housing & Urban Development (HUD) to ensure that financial assistance is made available only to persons who are U.S. Citizens, U.S. Nationals or Non-citizens who have been lawfully admitted to the United States and considered to have "eligible immigration status." (For details, see "How Your Immigration Status Can Affect Your Housing Assistance.")

All adults (18 years and older) who currently live in the household must claim their status and sign below. The head of household and/or responsible adult is also required to certify the status of each minor child who is currently living in the household.

All Non-citizens with Eligible Immigration Status are required to sign the Verification Consent Form and provide a copy of their INS document(s) for each member in the household. (The only exception to this rule is if a current tenant is 62 years of age or older and was receiving housing assistance as of June 19, 1995.)
