

## **RSJI Questions in Seattle Housing Authority's 2020 Budget Process**

For any adds or cuts to your 2019 department budget:

- Did you review any data to assess the potential race and social justice equity impacts of this proposed add/cut? If so, what data did you review? Did you consult with community members most impacted to understand the possible race and social justice impacts of this proposed add/cut? If so, what was the result? What demographic groups (ex: race, gender, age, disability, family size, gender identity, immigration status, religion) might be most advantaged and what demographic groups might be most disadvantaged by this proposed add/cut?
