This employee benefits guide includes information to guide you in choosing the insurance plans that best fit your situation. You will find information on employee benefits and programs, answers to commonly asked questions, and important due dates. This booklet also covers work/life programs that are designed to promote a satisfying and productive relationship between you and SHA. More detailed information is available on the SHA website at www.seattlehousing.org under "Work at SHA". For additional information regarding the benefits, please review the Manual of Operations_Benefits.

SHA is subject to the City of Seattle's eligibility rules and regulations for the benefits that we receive through them, such as medical, dental, vision, Accidental Death & Dismemberment, Basic and Supplemental Life Insurance, and Basic & Supplemental Long Term Disability.

The City of Seattle intends to continue these plans indefinitely but reserves the right to amend or terminate them at any time in whole or part, for any reason, according to the amendment and termination procedures described in the legal documents. This booklet does not create a contract of employment with Seattle Housing Authority or its employees.

Please note: We've made every attempt to ensure the accuracy of this information. If there is any discrepancy between this guide, the insurance contracts, other legal documents, or the terms of an authorized collective bargaining agreement, the contracts, legal documents and applicable collective bargaining agreements will always govern.

If you are a regularly appointed employee in a full- or part-time position (scheduled to work at least 80 hours per month), you are eligible to participate in the medical, dental, vision, life insurance, AD&D, LTD, LTC, FSA, EAP and Deferred Compensation plans.

The following family members are eligible to participate in the medical, dental, vision, supplemental life insurance, AD&D coverage, LTC insurance and EAP programs:

- Your spouse or domestic partner;
- Your birth or adopted children, or children placed for adoption;
- Children of your domestic partner who live with you;
- Stepchildren; or
- Any child for whom you are legal guardian or for whom coverage is required by a Qualified Medical Child Support Order.

**Coverage may continue for a handicapped/incapacitated child if the child becomes disabled prior to the limiting age, provided that proof of his or her fully handicapped/incapacitated status has been documented by a physician.

New Hire and Promotion Enrollments

If you are a new employee or recently promoted, you must enroll in medical, dental, vision, life insurance, FSA account(s), AD&D and/or supplemental Long Term Disability (LTD) coverage **within 30 days of your hire/promotion date. If you miss the deadline, you will be defaulted into certain benefits and ineligible for others.** If you do not enroll within 30 days of your hire/promotion date, you must wait for the next Open Enrollment period to make changes, unless you experience a qualified family status change.

Coverage begins on your first day of employment/promotion if that date is:

- the first calendar day of the month designated as an SHA business day, or
- the first calendar day of the month designated or recognized as the first working day for the shift to which you are assigned, whichever is later.

If your employment/promotion begins after this date, your coverage will begin the first day of the following month.

What if I miss the enrollment deadline?

If you fail to enroll within 30 days of your hire/promotion date, you will automatically be enrolled in Aetna Traditional Medical Plan, Delta Dental and basic vision coverage. These plans are at no cost to you. Your dependents will not be enrolled in the default benefit plans and you will lose the opportunity to enroll in optional benefits guarantee coverage.

You have the option to decline medical coverage within 30 days of your hire/promotion date or within 30 days of a qualifying event. If you waive coverage, you may not cover dependents under the City's medical plans. You will still be enrolled in dental and basic vision plans at no cost to you.

Employees who decline coverage which is considered affordable and adequate under the Patient Protection and Affordable Care Act will not qualify for government subsidies to purchase individual health insurance.

Changing Your Benefits

Open Enrollment

Open Enrollment is held once each year in the fall for the upcoming calendar year. During Open Enrollment, you can change your benefits plans, add and drop family members, and add or drop coverages. If you make changes during Open Enrollment, your new coverage is effective on January 1 of the new (next) plan year. Increases in optional benefit plan coverages are subject to the approval of a *Medical History Statement* by the benefit carrier.

IRS regulations require employees to re-enroll in the Flexible Spending Account programs (Health Care and Daycare Care) even if you had an account the previous year.

Qualified Family Status Changes that Affect Your Benefits

You must submit a SHA Benefit Enrollment Form within 30 days of the qualified family status change. You have 60 days to add a child acquired through birth, adoption, placement for adoption, legal guardianship, marriage or domestic partnership. *If you miss the deadline, you can only add family members during the annual Open Enrollment period or experience another qualified family status change.*

If you have a change in family status, you may be able to make a related change to your benefits. Here are several examples. Contact Human Resources at 615-3328 within 30 days of the following occurrences:

- You adopt a child. You may add coverage for that child (you may add coverage for your other children at that time).
- Your child loses coverage under your spouse's coverage; you may add this child to your plan.
- You get married, or form a domestic partnership. You may enroll your new spouse, or domestic partner and their eligible children.
- Your spouse, or domestic partner loses coverage due to termination of employment, change in employment status, or beginning an unpaid leave of absence. You may add your spouse or partner to the plan.
- Your spouse or domestic partner gains coverage due to start of employment, change in employment status, or ending an unpaid leave of absence. You may drop your spouse or partner from the plan.
- You get divorced, separate, or dissolve a domestic partnership. You must drop the spouse or domestic partner from the plan.
- Your child no longer meets the age requirements for medical/dental/vision. Your child will be dropped from coverage.
- Death of spouse, domestic partner, or child(ren)

Making Changes to Optional Benefits

- **AD&D and Supplemental LTD** – Request to drop or decrease coverage at any time throughout the year. Enroll or request to increase coverage only during new hire or Open Enrollment period. May change coverage level due to qualified family status event.

- **LTC**– Enroll during new hire period with guarantee issues. Enroll or change coverage levels at any time throughout the year**
- **Basic and Supplemental Life Insurance** – Enroll or increase coverage during Open Enrollment** or within 30-days of qualified family status change. Decrease or drop coverage at any time.
- **FSA Healthcare** – Mid-year changes only allowed with a qualified family status change.
- **FSA Daycare** – Enroll or change when your daycare situation or rates change.
- ** Any elected coverage amount over the guarantee coverage or enrollment after the 30-day new hire/promotion enrollment period will need a Medical History Statement and be subject to approval by the insurance company.

Going Out on Leave of Absences:

An employee has to be on paid status going into the month in order to qualify for benefits. Employees on unpaid leave whose benefits were terminated will have coverage reinstated according to their return date as follows:

- If returning the first through the 15th of the month, coverage is effective the first of that month, however, employees must work at least 80 hours in the month they return to work;
- If returning the 16th through the end of the month, coverage is reinstated the first of the following month.
- An employee who is absent without pay for 15 (fifteen) consecutive calendar days, or less, will not have a lapse in coverage.

Medical, Dental and Vision coverage – Employees on Family Medical Leave Act (FML) or WA Paid Family Medical Leave (PFML) will continue to have medical, dental and vision coverage whether on paid or unpaid status. However, employees are responsible to pay any outstanding medical, vision service buy up plan, and option benefit premiums directly to SHA. According to the FML regulations, coverage may be terminated if employee informs the employer of intent not to return to work at the end of the leave period, or if the employee fails to return to work when the FML leave entitlement is exhausted, or the employee's premium payment is more than 30 days late. If the employee fails to return to work after taking FML leave, the employee has a potential liability for re-payment of health insurance premiums during the unpaid FML.

SPECIAL NOTE FOR EMPLOYEES WITH DOMESTIC PARTNERSHIPS (not tax dependent):

- If you are an employee who maintains medical, dental and vision coverage for your domestic partner or the children of your domestic partner you must make arrangements to pay the FICA and Medicare taxes that will continue to be assessed and owed on the value of this benefit. To make arrangements for uninterrupted coverage of your partner and/or their children, you should contact Human Resources immediately at (206) 615-3328.

ACA continuation: Employees transitioning from FML/PFML to LWOP may continue medical coverage till the end of the current year if they meet ACA eligibility.

COBRA: Employees on leave without pay and not eligible under FML/PFML can elect to purchase medical/dental/vision coverage through COBRA. The Seattle Housing Authority will send a COBRA letter to employees and their eligible dependents who are no longer eligible for their health benefits.

OPTIONAL INSURANCES: Employees who are on leave without pay, and not eligible under FML/PFML, have to meet the benefit eligibility requirements to continue optional insurances. If employees fail to meet the benefit eligibility requirements, they have the option to self-pay their optional insurances as noted below. Employees can self-pay their optional insurances by paying their portion and SHA's portion directly to Seattle Housing Authority.

- **Accidental Death & Dismemberment (AD&D)** – Coverage will be discontinued the last day of the month that the employee was on paid status. It will be re-instated when the employee returns to work and meets the eligibility requirements.

- **Long Term Disability (LTD) Basic and Supplemental:** Employees have the option to self-pay their LTD coverage up to 6 months. If not self-paid, there will be a gap in coverage and the employee will be subject to the pre-existing provision of the plan going forward, should a claim be filed.
- **Group Term Life (GTL) Basic and Supplemental Life insurance:** Employees have the option to self-pay their Life Insurance coverage up to 6 months. After 6 months, employees have the option to convert to an individual policy, but if they go back to work (after converting to an individual policy), they will have to re-apply for coverage, which is subject to underwriting approval.

If an employee does not convert to individual coverage, and goes back to work, the life insurance will be re-instated when they returns to work.

If the employee chooses not to self-pay the premiums, the employee must provide a Medical History Statement to the insurance carrier prior to being re-instated.

- **Long Term Care:** Employees have the option to self-pay the premiums. If the employee decided not to self-pay, they are subject to the approval of a Medical History Statement by the benefit carrier.
- **Flexible Spending Account:** An employee has the option to prepay the FSA deduction, or to catch-up when coming back from leave if the employee is still eligible for benefits. Otherwise, the employee can complete a change form to adjust the deduction if there is a qualifying “change of status”.
- **Sick Leave and Annual Leave (Vacation):** Employees continue to accrue sick leave and vacation as long as they are on paid status.
- **Retirement (PERS):** Taking unpaid leave, unpaid FML and paid PFML may affect an employee’s retirement service credit. Please contact the Department of Retirement Systems (DRS) to see if you have the option to apply for up to 24 months of service credit while on leave for a disability. For more information, contact DRS at 1-800-547-6657.
- **Anniversary Date:** Employee who is on leave without pay (LWOP) not under FML or PFML for 30 consecutive days will have their anniversary date adjusted.
- **Holiday:** SHA policy states an employee who is on an unpaid leave of absence on the last scheduled workday preceding a holiday will not receive holiday pay. Employees should review their union contracts for specific details.

When Coverage Ends

Your medical/dental/vision, Basic and Supplemental Long-Term Disability, Basic and Supplemental Life, AD&D and Long Term Care coverages end on the last day of the calendar month in which you:

- Are no longer eligible,
- Resign, retire, or are terminated,
- Stop making any required payment.

Under the federal law known as COBRA (Consolidated Omnibus Reconciliation Act), you are eligible to purchase medical only, dental/vision only, or medical/dental/vision coverage under certain circumstances when your group health plan coverage with SHA ends.

If you are an SHA employee and have medical, dental and vision coverage, you and your covered family members have the right to elect COBRA continuation coverage for up to 18 months if your coverage is lost because of one of these qualifying events:

- Your employment ends for a reason other than gross misconduct,
- Your work hours are reduced to the point where you no longer are eligible for benefits.

Covered family members have the right to choose COBRA continuation coverage for up to 36 months if coverage is lost for any of these qualifying events:

- Death of the employee,
- Divorce or legal separation of the employee and spouse or dissolution of the domestic partnership, or
- A child loses coverage (turns 26)

The Life and LTD plans have conversion options. The LTC benefit is portable.

As an alternative to COBRA, you may choose an individual medical plan through Washington's Affordable Care Act agency (the health insurance exchange). Depending on your income and the number of dependents you cover, you may find a plan on the exchange that fits your coverage needs. Please note that if you enroll in an exchange plan, you may not be eligible for coverage in a City retiree medical plan in the future. More information at www.wahealthplanfinder.org.

When you are eligible to retire, contact Human Resources at (206) 615-3328 for information about the City's retiree medical plans. If you want to participate in a retiree medical plan instead of COBRA or a Health Insurance Exchange plan, be aware that you must choose a plan **at least 30 days** before you retire.

Medical Plan Options

SHA employees have four different medical plans offered by the City of Seattle, from which to choose:

- City of Seattle Preventive Plan (Aetna)
- City of Seattle Traditional Plan (Aetna)
- Kaiser Permanente Standard Plan
- Kaiser Permanente Deductible Plan

When making your decisions, you should consider cost, choice, and coverage. Here are some questions to ask yourself:

- Do you want a plan that allows you to choose any doctor, hospital, or clinic (City plans with Aetna), or are you willing to stay within a network (Kaiser Permanente) and receive a higher level of coverage?
- Would you rather pay higher monthly premiums to have a small annual deductible (City Preventive Plan), or no annual deductible (Kaiser Permanente Standard Plan), and smaller copays?
- Would you rather pay lower or no monthly premiums, and have higher coinsurance and deductibles (Kaiser Permanente Deductible and City Traditional plans)?

After considering the questions, the following very brief plan descriptions may help you make these choices:

Aetna: The City has two plans with Aetna - Preventive Plan and Traditional Plan. The plans use the Aetna provider network and Aetna administers the claims.

Preventive Plan: This plan has a \$100 annual deductible per person (\$300 per family) and a \$15 copay for all office visits except preventive care (which is covered at 100%). The deductible applies to most services except where a copay applies. Most other services are covered at 90% after a copay if you use an Aetna network provider.

Traditional Plan: This plan has a \$400 annual deductible per person (\$1,200 per family). Most services are covered at 80% if you use an Aetna network provider. Most preventive care is not covered. You will be enrolled in this plan if you fail to enroll in a medical plan within 30 days of your hire/promotion date as a new employee.

Both of the City's plans include the Aetna network of doctors; however, you choose whether to use a network or non-network provider when you require care. If you choose a doctor who is not in the network, you will pay a higher percentage of the cost of the service. If you use a non-network provider your doctor may charge you an additional amount over the established network price.

Aetna has a special sub-network, called the Aexcel network, which consists of doctors who specialize in the following areas: cardiology, cardiothoracic surgery, gastroenterology, general surgery, obstetrics/ gynecology, orthopedics, otolaryngology, neurology, neurosurgery, plastic surgery, vascular surgery and urology. If you need care in one of these areas and you **do not** choose a doctor from the Aexcel network to provide that care, you will pay 10% higher coinsurance. You do not need a referral to see a specialist.

Aetna also offers:

- Aetna Navigator: Locate detailed claim information, print ID cards, review your benefits, find service providers, and email member services at Aetna.com
- Health Risk Assessment: You receive a health report and a personal action plan.
- Disease Management Program: Get solid support managing your condition.
- Telephone/video chats with a doctor: Register at <https://member.teladoc.com/aetna>.
- 24-hours nurse line for your health questions. 1-800-556-1555.

Aetna mobile app: Find urgent care facilities, electronic ID card, and pay claims all from your mobile phone.

Kaiser Permanente: Kaiser is a health maintenance organization (HMO) which provides an integrated system of health care services. All services are delivered within Kaiser Permanente facilities or its contracted network providers. You must use Kaiser Permanente contracted providers and facilities unless a doctor refers you elsewhere. You do not need a physician's referral to see most Kaiser Permanente specialists.

The City offers two plans through Kaiser Permanente- Standard and Deductible

Standard Plan: This is a managed care plan with no deductible and an office copay of \$15. Most services are covered at 100% after payment of a copay. Preventive care is covered.

Deductible Plan: This is a managed care plan with a \$200 annual deductible per person (\$600 per family) and a \$15 office copay. The deductible does not apply to ambulance service, prescription drugs, durable medical equipment and preventive visits (preventive visits do have a copay). After the deductible is satisfied, most services are covered at 100% after the copayment.

The health care website is at KP.org/wa. Members can request appointments and exchange emails with their provider, view their online medical record, refill prescriptions online, and view lab and test reports. The provider and facility directory, and drug formulary are all accessible online.

The plan has a health risk assessment called *Health Profile*. Members complete the profile online and receive a report and personalized action plan. Free healthy lifestyle coaching is available.

- Care Chat is a free online messaging feature that lets you get real-time care from a provider. Access through your account at kp.org/wa. Online visits are available for common medical issues such as a cold or the flu. Visit KP.org/wa/onlinevisit.
- Not sure what kind of care you need? Call Kaiser's Consulting Nurse Service 24/7 at 1-800-297-6877 (TTY 711).
- You can also download the Kaiser mobile app to find urgent care facilities, electronic ID card, and pay claims all from your mobile phone.

Dental Plan Options

There are two dental plans: Delta Dental of Washington (DDWA) and Dental Health Services (DHS).

Delta Dental of Washington

If you select DDWA, you can receive services from any dentist, but your out-of-pocket expenses may be lower if you choose a dentist who belongs to the DDWA network. You will be enrolled in this plan if you fail to enroll in a medical plan within 30 days of your hire/promotion date.

Selecting a DDWA dentist means:

- The portion of the dentist bill you pay is smaller than if you use a non-network dentist.
- A non-DDWA dentist may bill you for the portion of the bill that DDWA does not cover.
- A DDWA ID card is not need to access care.

DDWA offers orthodontia benefits for children only. Pre-treatment estimates are recommended.

Dental Health Services

DHS provides greater benefits for services received in network than if you enroll in DDWA, but the DHS network of participating dentists is smaller and you must see a participating network dentist in order for services to be covered.

Selecting a Dental Health Services dentist means:

- There are no deductibles or annual maximums.
- Coverage does not decrease if you do not visit your dentist regularly.

This plan has an office visit copay of \$10. There are copays for selected services.

DHS offers both child and adult (age 25 and over) orthodontia.

The amounts will be listed on your paycheck as taxable income and are subject to federal income and Social Security tax withholding.

Optional Insurance – Long Term Disability

Basic Long-Term Disability (LTD) policy is provided by SHA at no cost to you. Basic Long-Term Disability benefit pays a monthly benefit if you are sick or injured and cannot work. If you are disabled according to the plan definition, the benefit will pay you up to \$400 per month after a 90-day disability waiting period.

SHA offers the opportunity to purchase additional LTD coverage. The additional LTD protection will combine other income sources, if any, to provide you with 60% of your monthly base pay over \$667 up to a maximum \$8,333 of monthly base pay.

If you do not sign up for Supplemental LTD coverage within 30 days of date of hire/promotion, you can enroll in Supplemental LTD during open enrollment, however, you may have a longer waiting period for pre-existing conditions.

The cost for this additional level of earnings protection is figured according to the following formula:

Subtract \$667 from your base monthly pay.
Multiply the remaining amount by .00384.

For example, if your base monthly pay is \$2,000, your monthly premium would be \$5.12 per month.
($\$2,000 - \$667 = \$1,333 \times .00384 = \$5.12/\text{month}$)

Your monthly cost will increase each time your pay increases.

This policy includes a conversion privilege which allows you to continue some level of coverage if you leave SHA employment. Conversion is guaranteed, however, the cost increases significantly.

If you are currently eligible to receive a retirement benefit from the Washington State Public Employees' Retirement System, and you were to leave employment if you became disabled, you may not want to elect this coverage because the maximum LTD benefit you would receive under those circumstances would be \$100 per month.

Optional Insurance – Long-Term Care

Long Term Care is defined as the type of care received when someone needs assistance with what is known as the Activities of Daily Living – basic activities like dressing, bathing, eating and moving around. Long Term Care is not limited to the elderly. Accidents or unexpected illness can happen at any time and at any age. SHA offers Long Term Care through Unum Insurance Company. The insurance is voluntary, guaranteed renewable and portable.

All SHA employees are subject to a WA State payroll tax to fund the WA CARES Program. WA CARES Program is a state administered LTC benefit. For more information on the WA CARES Program visit the WA CARES Fund website.

Coverage may be purchased for the employee, employee's spouse or domestic partner, employee's parent or grandparent, employee's sibling or child age 18 and over, or the spouse's/domestic partner's parent or grandparent. The cost of the insurance will be based on the applicant's age at the time the coverage goes into effect. Cost for employee and spouse/domestic partner will be a payroll deduction. Coverage for all other family members are paid directly to Unum.

Guaranteed coverage for new/promoted employees is up to and including \$6,000 per month, and for

12/2/2021

3 or 6 years of duration of benefits, Coverage for an unlimited duration or benefits not on a Guarantee Issue basis will require the completion of a Medical History Statement. Coverage levels for anyone other than the new employee will require the completion of a medical questionnaire. *Note: any level of coverage applied for which requires the completion of a medical questionnaire is not guaranteed, but subject to review and approval by Unum.*

Optional Insurance – Group Term Life

Basic Life Insurance benefit includes two options. SHA contributes 40% of the cost and you pay the remaining 60% of the cost. Choose one of the options below, or you may waive coverage:
1.5 times your annual salary **OR** limited value of \$50,000.

IRS rules state that the value of Basic Life Insurance over \$50,000 is taxable. Because SHA pays 40% of the cost for your Basic Term Life Insurance, you may have some taxable value. You may limit your Basic Term Life Insurance coverage amount to \$50,000 to avoid the additional taxes.

When you sign up for Basic Term Life Insurance as a new/promoted employee, you are guaranteed coverage. However, if you sign up for it later, you will be required to complete a Medical History Statement, which must be approved by the insurance company before your life insurance takes effect. If you have certain health conditions, you could be denied coverage.

*Cost is \$0.075 per \$1,000; rounded up to nearest \$1,000
Employee cost is 60% or \$0.045 per \$1,000
Employer cost is 40% or \$0.030 per \$1,000

Your coverage amount is equal to your annual salary, rounded up to the next \$1,000 increment, multiplied by 1.5. Your monthly premium equals \$0.045 times each \$1,000 of coverage. To calculate your basic Life insurance, use the following table:

1. Annual Salary = Line 1 Line 1: _____
2. Round Up Line 1 to nearest \$1,000 = Line 2 Line 2: _____
3. Multiply Line 2 by 1.5 = Line 3 Coverage Amount Line 3: _____
4. Divide Line 3 by \$1,000 = Line 4 Line 4: _____
5. Multiply Line 4 by the plan rate of 0.045 = Line 5 Monthly Premium Line 5: _____

For example, if your salary is \$78,600 per year, round it up to \$79,000. To determine your coverage amount, multiply \$79,000 by 1.5 = \$118,500. \$118,500 is your coverage amount. Divide your coverage amount by \$1,000 ($\$118,500 / \$1,000 = 118.50$). Multiply 118.50 by the plan rate of 0.045 and the premium is \$5.33/month.

This policy includes a conversion privilege which allows you to continue some level of coverage if you leave SHA employment. Conversion is guaranteed, however, the cost increases significantly.

Supplemental Group Term Life

SHA offers additional life insurance option—Supplemental Term Life. You must enroll in Basic Term Life Insurance to purchase Supplemental Life Insurance for yourself and your eligible family members. You pay the entire cost for Supplemental Term Life Insurance coverage. This coverage is subject to various election rules:

- Employee is limited to a combined life insurance coverage of 4 times their annual salary, rounded down to nearest \$5,000 with no medical questionnaire.
- Spouse supplemental coverage is limited to \$50,000 with no medical questionnaire. Spouse supplemental coverage is limited to 100% of employees combined life insurance coverage.
- You may purchase \$2,000, \$5,000 or \$10,000 of coverage for each of your children. Children may be covered up to age 26 (through age 25). Costs for covering eligible children are fixed, and the monthly premium is the same regardless of how many children you cover.
- Any elected coverage amount over the guarantee coverage or enrollment after the 30-day new hire/promotion enrollment period will need a Medical History Statement and be subject to approval by the insurance company.
- You may enroll in Life insurance within 30 days of a qualified family status change.

Costs for Supplemental Term Life Insurance for you and your spouse/domestic partner are based on **your** age. The following tables show the cost of supplemental GTL insurance for you, your spouse/domestic partner, and your children.

This free HAIG life insurance plan covers you for as long as you are an active employee and does not cover you when you retire or separate from SHA employment.

Submit your HAIG beneficiary form within 30 days from your date of hire/promotion. Please note that you will not be given another opportunity to sign up for the free life insurance until the HAIG annual open enrollment.

The Seattle Housing Authority and/or HAIG intends to provide this life insurance indefinitely but reserves the right to amend or terminate this insurance at any time with or without notice.

Optional Insurance - Flexible Spending Accounts

SHA's Flexible Spending Account (FSA) Plans allow you to set aside pre-tax dollars from your paycheck (\$120 annual minimum, \$2,750 annual maximum for Health Care FSA plan or \$5,000 for Day Care FSA plan) to pay for eligible expenses not covered through other benefit programs. Pre-tax deductions reduce your taxable income and lower your tax base.

IRS regulations require employees to re-enroll in FSA accounts each open enrollment for the following plan year.

You can sign up for flexible spending accounts within 30 days of your hire/promotion date or during Open Enrollment. There are two types of FSA Plans:

Health Care FSA – allows you to set aside money (\$2,750 annual maximum) to pay for IRS eligible expenses not covered by your health plans (e.g., deductibles, copays, over-the-counter items, or expenses for orthodontia). For eligible healthcare expenses, visit the Navia website: <https://www.naviabenefits.com/participants/benefits/>. Receipts for reimbursement must be submitted by the deadline specified by the IRS. Mid-year changes are only allowed within 30 days of a qualified family status change.

You may carry-over up to \$550 of unused health care FSA funds into the following plan year if it results in a minimum account balance of \$120.

Day Care FSA – allows you to set aside money to pay for eligible dependent care expenses for your child, disabled spouse, or tax dependent parent(s) (or anyone who qualifies as a dependent on your IRS tax form) while you and your spouse/domestic partner work (\$5,000 annual family maximum). Enroll or change contributions at any time if your daycare rates or situation changes. Funds left in the account at the end of the year are not eligible for the carryover provision.

The Family and Medical Leave Act (FML) allows you to take up to 12 weeks of unpaid Family Medical Leave for your serious health condition, the birth, placement, or adoption of a child, or to care of your spouse or domestic partner, or parent or child who has a serious health condition. You must be with SHA for 12 months to be eligible for Family Leave **and** have worked at least 1,250 hours during the 12-month period immediately preceding the beginning of the leave.

FML permits an employee who is a "spouse, son, daughter, parent, or next of kin" to take up to 26 work weeks of leave to care for a "member of the Armed Forces, including a member of the National Guard of Reserves, who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness."

Washington Paid Family Medical Leave (PFML)

You may qualify for up to 12 weeks of paid leave for "qualifying events," such as your own serious health condition or to care for sick family member; up to 16 weeks combined family and medical leave; and possibly two additional weeks for certain pregnancy complications. You must have worked at least 820 hours for a Washington employer and 340 with SHA in that time frame. PFML allows partial wage replacement. SHA does not allow employees to supplement PFML benefits with any other paid leave option to achieve full wages while on PFML.

Personal Leave without Pay

You may request a personal leave without pay in exceptional circumstances for an extension of travel, vacation or social service activities; or for other personal reasons. You must have exhausted all other means of paid leave (including FML or PFML, where appropriate), before a personal leave without pay is granted.

Unpaid Leave for Reason of Faith or Conscience

Two days (8 hour increments) of unpaid leave in a calendar year may be taken by employees, after consultation with the employee's supervisor, for a reason of faith or conscience, or to participate in an organized activity conducted under the auspices of a religious denomination, church, or religious organization. Request for unpaid leave under this section may be denied if the employee's absence would impose an undue hardship or the employee is necessary to maintain public safety

Jury Duty, Trial Witness Leave

SHA recognizes that you have a civic and legal responsibility to serve as a juror, or to appear as a trial witness from time to time, and will provide you with paid leave to perform these civic duties. You must bring a copy of your summons to your supervisor when you first receive a jury duty order, so that your supervisor can plan for your absence. If you are asked to serve as a trial witness, you must bring a copy of your subpoena. You will receive your normal base pay while serving as a juror or trial witness. In order to receive your normal salary you must turn over your civic duty compensation minus costs for transportation, parking, and other fees paid.

Military Leave

You are entitled to Military Leave with pay not to exceed twenty-one (21) working days during each year beginning October 1 and ending September 30 in order to take part in active training duty in such manner and at such time as you may be ordered to active duty or active training duty. SHA will administer Military Leave in accordance with federal and state regulations.

Sabbatical Leave

SHA provides unpaid Sabbatical Leave for eligible employees (10 years of employment with SHA) to take time away from work to rest, relax and recharge. An eligible employee may make a written request for sabbatical leave to their Director, who may grant an unpaid sabbatical leave of absence not to exceed six weeks.

Domestic Violence Leave

An employee may take reasonable unpaid intermittent leave from work or leave on a reduced schedule to ensure the health and safety, seek treatment, obtain social services, or participate in other actions for relief and safety of the employee or immediate family from domestic violence or stalking.

Voluntary Leave Share Program (VLSP)

Employees who are experiencing a major medical event or the loss of their spouse, child or parent are eligible to request leave donations from the established leave bank. You must have 90 days of continuous employment with SHA and have exhausted all leave options to request leave hours. Employees wishing to donate leave hours to the leave bank must meet eligibility requirements. The decision to donate leave is irrevocable. Participation in the VLSP is strictly voluntary.
