See the enclosed 2022 rate sheet.

If you want to **change** medical coverage effective January 1, 2022, **here's what you need to do**:

Other Retiree Medical Insurance Options

The City chooses retiree plans to approximate coverage on the active employee plans. We encourage retirees to explore all options available to them to ensure they have medical coverage that best meets their health and financial needs.

- **Retirees Under Age 65** – You may have options available to you through the state Health Insurance Exchange at: www.wahealthplanfinder.org. These plans are "guarantee-issue," which means they cannot deny you coverage. The standard plan designs make it easy to compare pricing and may better meet your financial requirements than City plans. Their Open Enrollment is from November 1, 2021 to December 15, 2021.
- **Retirees Age 65 and Over** (Medicare-eligible retirees) – While there are no Medicare options available on the State Health Insurance Exchange, you have access to other private Medicare plans. Other private Medicare plans may have additional benefits beyond the Medicare Parts A and B: Medigap plans and Medicare Advantage and Part D Prescription Drug plans. These individual plans may be more suitable for your financial situation than the City's plan. The Medicare Advantage and Part D Open Enrollment this year runs from October 15 to December 7. We encourage you to explore these other options directly with the providers of those plans or consult with the Statewide Health Insurance Benefits Advisors program at 800-562-6900. You may also contact a private benefits broker.

If you purchase medical coverage through a Health Insurance Exchange or obtain an individual Medicare Supplement or Medicare Advantage plan, **you will not be able to return to City coverage** in the future. These plans are not group/employer health plans. However, as indicated above, you can change plans annually during the Medicare and Exchange open enrollments.

Medical Plans for Retirees and Dependents Under Age 65 on the "Most" Benefit Program

The City will offer the same four medical plans as last year to retirees and dependents under age 65. See the enclosed rates and comparison charts for more information and the below plan changes.

Effective January 1, 2022

Aetna Preventive and Traditional Medical Plan

- Removing the Aexcel performance network.

Kaiser Standard and Deductible Medical Plans

- Waiving cost share for the administration of in-network infusion therapy in a home setting.

Please call the medical plans directly with your specific questions:

- City of Seattle Preventive or Traditional (Aetna): 1-877-292-2480
- Kaiser Permanente Deductible: 1-888-901-4636 (Group #0961100)

- Kaiser Permanente Standard: 1-888-901-4636 (Group # 1004400)

Are you turning 65? To enroll in a Medicare Advantage plan offered through the City, you must provide a copy of your Medicare Parts A and B card 60-90 days *before* your 65th birthday. Apply for Medicare Parts A and B online at <https://www.ssa.gov/benefits/medicare/or> stop by your local Social Security Administration office.

Medicare Advantage Medical Plans: Retirees and Dependents Age 65 and Over

The City will continue to offer the same four Medicare Advantage plans to Medicare-eligible retirees and dependents in 2022. Advantage plans, sometimes referred to as Part C, cover all the services of Medicare Parts A (hospital insurance) & B (medical insurance) plus extra coverage like wellness and disease management programs. Because the City plans also include Medicare Part D (prescription drug coverage), they are "MAPD" plans – Medicare Advantage - Prescription Drugs.

The Aetna, Kaiser and UnitedHealthcare plan designs are essentially the same, other than the regular drug formulary updates and any changes required by Medicare. See the below rate changes, which are effective January 1, 2022.

Plan	2021 Premium	2022 Premium	Percentage Change
Aetna Medicare (PPO) WA	\$297.84	\$291.92	-2.0%
Aetna Medicare (PPO) out of state	\$317.34	\$308.63	-2.7%
Kaiser Permanente Plan 3	\$427.70	\$439.46	2.7%
Kaiser Permanente Plan 4	\$408.12	\$428.38	5.0%
UnitedHealthcare Medicare Complete HMO	\$373.45	\$365.99	-2.0%

Where to call for questions about your Medicare Advantage Plan: For further information about any formulary changes or those required by Medicare, or to obtain information about the individual Medicare plans they offer, don't hesitate to get in touch with the medical plans directly:

Again, to ensure you are enrolled in a plan that meets your specific health and financial needs, you may wish to explore options other than the City's plans. You may do that directly through the providers of those other plans – Medicare Supplement and Individual Medicare Advantage plans. If you are considering switching to a **non-City plan**, contact the SHA Benefits Administrator to ensure continued coverage for your spouse/domestic partner and dependents.

Re-Enrollment Option Reminder

All retirees currently enrolled in a City medical plan have a drop/re-enroll option in certain circumstances. You may drop your City retiree medical coverage and have the opportunity of re-enrolling in a City plan at a future date as long as you meet these conditions.

- **You must maintain continuous coverage under another *group* medical plan** for the entire time you are not enrolled in a City plan. "Continuous coverage" means there are NO gaps in medical coverage. "Another group medical plan" means a plan offered through another employer, either your employer or the employer of your spouse or domestic partner. Individual medical plans -- whether obtained through a broker, insurer, HMO, Medicaid, the State High-Risk Pool, Health Insurance Exchanges or other entities -- DO NOT qualify as continuous group coverage and DO NOT meet the requirements for re-enrollment.
- **You may re-enroll in a City plan only if you lose eligibility for the other employer group coverage**, such as due to your or your spouse's job loss or retirement or aging out of coverage (as documented by the Human Resources staff of the other employer).
- **You must re-enroll in a City Plan within 30 days** of losing your other coverage.

Enrollment Process Summary

Please note: Benefits Administrator cannot compare the plans or counsel you on your benefits choice. Annual Enrollment ends at 4:00 pm on Friday, November 19, 2021. Your completed enrollment form must be postmarked on or before November 19. The City will not make plan changes if your forms are postmarked **after** November 19, 2021, you will remain on your current plan in 2022. **NOTE:** You cannot drop off forms at the SHA Queen Anne Building because most of the building is temporarily restricted.
