

INFORMAL SOLICITATION

Telemark Apartment Tree Removal Solicitation No. 6059

ADDENDUM NO. 1
Issue Date: March 18, 2025

This Addendum containing the following revisions, additions, deletions and/or clarifications, is hereby made a part of this solicitation and Contract Documents for the above-named project. Bidders/Proposers shall take this Addendum into consideration when preparing and submitting their response to this solicitation.

This Addendum lists questions received and SHA's responses (see Item 1 below) and provides site meeting attendance list (see Item 2 below).

Item 1. The following is a list of questions received and SHA's responses to those questions.

Question 1. We are interested in coming to the site meeting on Friday March, 14th 2025. Is it mandatory to come to the 3/21/25 site visit too?

Response: *Site meetings are not mandatory unless specifically stated as such. Two site visits are scheduled to provide flexibility, allowing bidders to attend either one based on their availability.*

Site visits are offered to give prospective bidders the opportunity to assess the project for themselves and determine if further questions might need to be answered prior to submitting a successful bid.

All prospective bidders are strongly encouraged to attend a site visit. Non-attendance on the part of the Bidder shall not relieve the bidder of any responsibility for adherence to any of the provisions of the bid documents or any Addenda.

Question 2. Is the Pre-bid meeting mandatory?

Response: *See answer to Question 1.*

Question 3. If the street needed to be closed and who is responsible for permits?

Response: *SHA has initiated a street tree removal permit but has not completed this until we have a contractor selected. SHA expects contractor to complete and submit a street use permit, which includes a traffic control plan, to complement the street tree removal permit that SHA has initiated. The street use permit will need to address street and sidewalk closure needs.*

Item 2. Attached is the attendance list for the pre-bid site meeting held on Friday 03/14/2025, at 1:00 PM.
