A. INTRODUCTION

- 1) **General:** The Seattle Housing Authority (SHA) is seeking a qualified Service Provider to support our Aging In Place initiative through offering a tailored menu of wellness services to support SHA resident autonomy in managing health and aging needs. Services shall be provided in a variety of SHA buildings serving seniors as well as buildings serving seniors and disabled individuals. Services should be tailored to meet the needs and interests of the residents of each building served. Services shall be designed to increase quality of life improve individuals' ability to remain in their housing, and increase resident health and wellness.

SHA currently hosts a variety of Social Service Providers in our buildings/communities. Successful service providers will plan to work in direct concert with current and future providers as well as with SHA staff to create a seamless service model that allows residents to receive the right service to meet their needs while avoiding unnecessary overlap of service. Current onsite providers at some locations include the City of Seattle's Aging and Disability Services, Full Life Care, NeighborCare Health and nursing students from Seattle University. Providers may change; the successful service provider will plan to work with changing partners to ensure consistent and responsive services.

Services are to be targeted at SHA buildings housing high volume of seniors needing additional supports. This may include buildings dedicated exclusively to serving seniors as well as additional buildings with high numbers or percentages of seniors and other individuals who are aging in place in our buildings. Services will likely start in five to ten buildings based. The Service Provider should also plan to execute a needs assessment with residents, SHA staff and other on-site providers to determine which buildings to serve and what services to offer at each building.

The annual amount available for these services is \$140,000-\$150,000 annually. We anticipate the total funding available for 2017 will be \$90,000-\$120,000; this will include service costs, needs assessment costs and start up costs.

- 2) **Seattle Housing Authority Background:** SHA is a public body corporate and politic that provides affordable housing to about 34,000 low-income people in Seattle. SHA operates according to the following Mission and Values:

Our Mission

Our mission is to enhance the Seattle community by creating and sustaining decent, safe and affordable living environments that foster stability and increase self-sufficiency for people with low-income.

Our Values

SHA owns and operates approximately 6,153 conventional public housing units subsidized by the U.S. Department of Housing and Urban Development (HUD), including over 1,029 units for seniors and people with disabilities as part of the Seattle Senior Housing Program, and about 1,850 low- and mixed-income units developed and acquired primarily through the use of debt financing. SHA also administers about 10,147 Housing Choice Vouchers and 759 Moderate Rehab units. Approximately 9,286 SHA residents are children and approximately 8,415 SHA residents are elderly or disabled.

SHA owns and operates housing in neighborhoods throughout Seattle. These include the four large family communities of NewHolly and Rainier Vista in Southeast Seattle, High Point in West Seattle, and Yesler Terrace in Central Seattle.

SHA was established by the City of Seattle under State of Washington enabling legislation in 1939. SHA is governed by a seven-member Board of Commissioners appointed by the Mayor of Seattle and confirmed by the Seattle City Council. The Executive Director is appointed by, and reports to, the Board and is responsible for staff hiring and direction.

SHA has approximately 530 employees and a total budget of \$223 million for Calendar Year 2016. In addition to the housing SHA owns, it serves as General and Managing Partner for several Low Income Housing Tax Credit limited partnerships.

- 3) **Women and Minority Business Enterprise (WMBE) Inclusion:** SHA requires proposers to make good-faith efforts to meet SHA's 14% aspirational WMBE goal and provide meaningful opportunities to WMBE firms to participate in the direct performance of commercially useful work as part of the proposed Project Team.
- 4) **Cooperative Purchasing:** RCW 39.34 allows cooperative purchasing between public agencies (political subdivisions) in the State of Washington. Public agencies that file an Interlocal Joint Purchasing Agreement with SHA may also wish to procure the services herein offered by the successful party. The successful party shall have the option of extending its offer to SHA to other agencies for the same cost, terms and conditions.

SHA does not accept any responsibility for agreements, contracts or purchase orders issued by other public agencies to the successful party. Each public agency accepts responsibility for compliance with any additional or varying laws and regulations governing purchase by or on behalf of the public agency. SHA accepts no responsibility for the performance of the successful party in providing services to other public agencies, nor any responsibility for the payment price to the successful party for other public-agency purchases.

Any records or materials submitted to SHA in response to this RFP become public records under Washington State law (see RCW Chapter 42.56, the Public Disclosure Act, at <http://www1.leg.wa.gov/LawsAndAgencyRules>). Public records must be promptly disclosed upon request unless a statute exempts disclosure. Exemptions from disclosure include trade secrets and valuable formulas (see RCW 42.56 and RCW Ch. 19.108); however, public disclosure exemptions are narrow and specific. Proposers are expected to be familiar with any potentially-applicable exemptions, and the limits of those exemptions.

Proposers are obligated to separately bind and clearly mark as "proprietary" information any proposal records they believe are exempted from disclosure. The body of the proposal may refer to these separately-bound records. Proposers should mark as "proprietary" only that information they believe legitimately fits within a public-disclosure exemption. SHA may reject solicitation responses that are marked proprietary in their entirety.

If SHA receives a public disclosure request for records that a Proposer has marked as "proprietary information," SHA may notify the Proposer of this request and postpone disclosure briefly to allow the Proposer to file a lawsuit under RCW 42.17.330 to enjoin disclosure; however, this is a courtesy of SHA and not an obligation.

SHA has no obligation to assert an exemption from disclosure. If the Proposer believes that its records are exempt from disclosure, the Proposer is obligated to seek an injunction under RCW 42.56. By submitting a proposal, the Proposer acknowledges this obligation; the Proposer also acknowledges that SHA will have no obligation or liability to the Proposer if the records are disclosed.

- 3) **Cost of Preparing Proposals:** SHA will not be liable for any costs incurred by the Proposer in the preparation and presentation of proposals submitted in response to this RFP including, but not limited to, costs incurred in connection with the Proposer's participation in demonstrations and the pre-proposal conference.
- 4) **Rights Reserved by SHA:** SHA reserves the right to waive as an informality any irregularities in submittals and/or to reject any or all proposals. SHA requests that companies refrain from requesting public disclosure of selection information until a contract has been executed as a measure to best protect the

solicitation process, particularly in the event of a cancellation or re-solicitation. With this preference stated, SHA shall continue to properly fulfill all public disclosure requests for such information as required by State Law.

A. General Insurance Requirements:

1. Prior to undertaking any work under this Contract, the Consultant shall procure and maintain continuously for the duration of this Contract, at no expense to Owner, insurance coverage as specified below, in connection with the performance of the work of this Contract by the Consultant, its agents, representatives, employees and/or subcontractors (the term subcontractors as used in this Contract shall include sub-consultants). 4. Workers Compensation. A policy of Workers Compensation. As respects Workers Compensation insurance in the State of Washington, the Consultant shall secure its liability for industrial injury to its employees in accordance with the provisions of Title 51 of the Revised Code of Washington (RCW). If the Consultant is qualified as a self-insurer in accordance with Chapter 51.14 RCW, the Consultant shall so certify by a letter signed by a corporate officer, indicating that it is a qualified self-insured, and setting forth the limits of any policy of excess insurance covering its employees, or any similar coverage required.

- F. No Limitation of Liability - The limits of liability specified herein are minimum limits only. Such minimum limits of liability requirements shall not be construed to limit the liability of the Consultant or of any of their respective insurers. The Consultant shall include the Owner as an additional insured for primary and non-contributory limits of liability for the full valid and collectible limits of liability maintained by the Consultant whether such limits are primary, excess, contingent or otherwise. This provision shall apply regardless of whether limits maintained by the Consultant are greater than the minimum limits required by this Contract, and regardless of whether the certification of insurance by the Consultant specifies lower minimum limits than those specified for or maintained by the Consultant.

Alternatively, the Consultant shall:
 - a.) Obtain from each subconsultant not insured under the Consultant's policy or policies of insurance, evidence of insurance meeting all the requirements of this Contract, and
 - b.) Maintain such evidence on file for a period of one (1) year after the completion of this Contract and, upon request, submit such evidence to SHA for examination.
 5. The Consultant's insurance shall not be reduced or canceled without forty-five (45) days prior written notice to Owner, except for cancellation for nonpayment of premium, which notice shall not be less than ten (10) days prior to such date, unless a longer period of written notice is required under the provisions of Revised Code of Washington (RCW 48.18.290). The Consultant shall not permit any required insurance coverage to expire during the term of this Contract.
 6. Owner reserves the right to require complete, certified copies of all required insurance policies at any time during the term of this Contract, or to waive any of the insurance requirements of this Contract at its sole discretion.
- H. Criminal Background Investigation: The Consultant shall conduct a criminal background investigation of all employees, volunteers, subcontractors and subconsultants performing any work who may reasonably be expected to have direct or incidental contact with SHA residents, SHA staff members, or vulnerable population. Vendor Fact Sheet Instructions

Thank you for your interest in doing business with the Seattle Housing Authority (SHA). We look forward to doing business with you. If you have any questions about completion of the Vendor Fact Sheet, please call us at (206) 615-3379.

In order for SHA to make payments to you or to procure goods or services from you, we need the information requested on the Vendor Fact Sheet, which also serves as a substitute IRS W-9 Form. The information about you will be entered into our computerized payment system and will allow us to make required reports to the Federal government about our business and payment transactions.

Substitute IRS Form W-9 Certification: In completing the Vendor Fact Sheet, you must sign the "Substitute IRS Form W-9 Certification" or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct taxpayer identification number to SHA, you must cross out the portion of the certification after the word "and" in line two, through the end of line five, before signing the form. Detailed instructions about IRS Form W-9 are included on the form, which may be obtained by calling our office at (206) 615-3379 or visiting the IRS web site at www.irs.gov.

Certification of Eligibility: In order to do business with SHA, the Vendor must be eligible to:

- 1) Be awarded contracts by any agency of the U.S. Government, HUD, or the State in which this Contract work is to be performed; or,

By signing the Vendor Fact Sheet, the Vendor understands that the certification of eligibility is a material representation of fact upon which reliance was placed when SHA agreed to enter into the transaction with the Vendor. SHA may require the Vendor to submit such certification on an annual basis depending on the terms of its contract or the frequency of its business transactions with SHA. If the Vendor subcontracts any portion of the work, the Vendor will be required to submit a similar certification of eligibility to SHA for any Vendor subcontracts. Any written contract executed between SHA and the Vendor shall include these provisions, which may also be referred to as Suspension/Debarment provisions.

Contract Payments: Unless SHA grants a waiver, its method of contract payment for contracts of one million or more is through its Bank of America e-payables program.
