2) **Proprietary Proposal Material:**

Any records or materials submitted to SHA in response to this RFP become public records under Washington State law (see RCW Chapter 42.56, the Public Disclosure Act, at <http://www1.leg.wa.gov/LawsAndAgencyRules>). Public records must be promptly disclosed upon request unless a statute exempts disclosure. Exemptions from disclosure include trade secrets and valuable formulas (see RCW 42.56 and RCW Ch. 19.108); however, public disclosure exemptions are narrow and specific. Proposers are expected to be familiar with any potentially-applicable exemptions, and the limits of those exemptions.

Proposers are obligated to separately bind and clearly mark as "proprietary" information any proposal records they believe are exempted from disclosure. The body of the proposal may refer to these separately-bound records. Proposers should mark as "proprietary" only that information they believe legitimately fits

within a public-disclosure exemption. SHA may reject solicitation responses that are marked proprietary in their entirety.

If SHA receives a public disclosure request for records that a Proposer has marked as "proprietary information," SHA may notify the Proposer of this request and postpone disclosure briefly to allow the Proposer to file a lawsuit under RCW 42.17.330 to enjoin disclosure; however, this is a courtesy of SHA and not an obligation.

SHA has no obligation to assert an exemption from disclosure. If the Proposer believes that its records are exempt from disclosure, the Proposer is obligated to seek an injunction under RCW 42.56. By submitting a proposal, the Proposer acknowledges this obligation; the Proposer also acknowledges that SHA will have no obligation or liability to the Proposer if the records are disclosed.

- 3) **Cost of Preparing Proposals:** SHA will not be liable for any costs incurred by the Proposer in the preparation and presentation of proposals submitted in response to this RFP including, but not limited to, costs incurred in connection with the Proposer's participation in demonstrations and the pre-proposal conference.
- 4) **Rights Reserved by SHA:** SHA reserves the right to waive as an informality any irregularities in submittals and/or to reject any or all proposals. SHA requests that companies refrain from requesting public disclosure of selection information until a contract has been executed as a measure to best protect the solicitation process, particularly in the event of a cancellation or re-solicitation. With this preference stated, SHA shall continue to properly fulfill all public disclosure requests for such information as required by State Law.

C. SCOPE OF WORK

Background

The Seattle Housing Authority is a "High Performer Housing Authority," as designated by the Department of Housing and Urban Development (HUD). As such, SHA has been selected to participate in HUD's demonstration Moving To Work program. SHA has consistently received clean audit opinions. For results of prior audits, please refer to the Authority's website seattlehousing.org

KPMG LLP performed the audits for the years ending September 30, 2013 through September 30, 2017. Firms responding to this RFP will have access to the prior working papers and audit reports. We are initiating this RFP because we have reached the maximum term for contracts permitted for compliance with our procurement policies, which is five years. There were no disagreements with previous auditors.

As a political subdivision of the State of Washington, SHA is audited annually for "Accountability" by the Office of the State Auditor. SHA-affiliated limited partnerships are also audited separately by independent accountants on an annual basis.

SHA has experienced significant growth over the past 23 years, adding approximately 20 component units (limited partnerships [LPs]), dissolving three LP's, and a number of new

grants as of December 2017. SHA contracts separately for the audits of the limited partnerships and last year worked with five different firms to perform this work. Target date for completion of the LP audits is February 28th.

SHA uses JD Edwards Enterprise One for the accounting and financial systems along with Yardi for property management, Kronos for employee time reporting, and Elite (from Emphasis) for Section 8 accounting. We are currently upgrading to version 9.2 of Enterprise one.

E. CONSULTANT EVALUATION CRITERIA

Consultants' submittals will be evaluated based on the criteria listed in this section. In preparing the submittal to SHA, it is important for proposers to clearly demonstrate their expertise in the areas described in this document. Because multiple areas of expertise are required for successfully performing this project, the Consultant, either through in-house staff or sub-consultants, must demonstrate expertise and have available adequate numbers of experienced personnel in all of the areas described.

Consultants are encouraged to identify and clearly label in their submittal how each criterion is being fully addressed. Evaluation of responses to this RFP will be based only on the information provided in the submittal package, and if applicable, interviews, and reference responses. SHA reserves the right to request additional information or documentation from the firm regarding its submittal documents, personnel, financial viability, or other items in order to complete the selection process. In submitting a proposal, the Consultant and any sub-consultants agree that any costs, prices, hourly rates proposed shall be valid for a minimum of 90 days from the proposal due date.

The following criteria with a point system of relative importance with an aggregate total of one hundred (*must match the Total Maximum Points for Qualifications in table below*) points will be utilized to evaluate the qualifications of each proposer:

Evaluation Criteria - Qualifications		Weighting (Max. Points)
1	<u>Women and Minority Business (WMBE) Inclusion Plan</u> (See Section D above for a complete description of this Criterion.)	10
2	<u>General Housing Authority Auditing Experience:</u> (See Section D above for a complete description of this Criterion.)	30
3	<u>Key Personnel Experience with Comprehensive Annual Financial Reports:</u> (See Section D above for a complete description of this Criterion.)	25
4	<u>Key Personnel Experience with A-133 Audits:</u> (See Section D above for a complete description of this Criterion.)	25
MAXIMUM TOTAL POINTS FOR QUALIFICATIONS		90

The following criterion with a point system of relative importance will be evaluated by using a Ratio of Cost process where the Proposer with the lowest price receives all the possible points, and all other proposers receive a smaller number of points based on the ratio of their price to the lowest price proposal. Points for Price will then be added to the Points Assigned for Qualifications by each evaluator.

Evaluation Criterion -- Price/Rates		
5	<u>Proposed all-inclusive annual fee:</u> (See Section D above for a complete description of this Criterion.)	20
<u>MAXIMUM TOTAL POINTS FOR QUALIFICATIONS AND PRICE</u>		110

F. SELECTION PROCESS

An evaluation panel will rate all responses to this RFP that are received on or before the stated deadline, according to the criteria listed above. Based on its initial evaluation, the panel may:

1. Make a recommendation to SHA's Executive Director and request authority to negotiate a Contract with one or more proposers; or
2. Request additional information from the proposer or proposers whose responses appear to have the greatest likelihood of success; and/or
3. Invite one or more proposer whose responses appear to have the greatest likelihood of success to attend an interview/presentation to discuss their proposal; and then make a recommendation to SHA's Executive Director and request authority to negotiate a contract with one or more proposers.

SHA reserves the right to conduct reference checks, at either or at both of the following two points of the evaluation process:

1. After proposals are evaluated, for the proposer or proposers with the highest-scoring proposal(s);
2. In the event that interviews are held, for the proposer or proposers with the highest-scoring proposal(s) and interview(s).

In the event that information obtained from the reference checks reveals concerns about any proposer's past performance and their ability to successfully perform the contract to be executed based on this RFP, SHA may, at its sole discretion, determine that the Proposer is not a responsible proposer and may select the next highest-ranked Proposer whose reference checks validate the ability of the Proposer to successfully perform the contract to be executed based on this RFP. In conducting reference checks, SHA may include itself as a reference if the Proposer has performed work for SHA, even if the Proposer did not identify SHA as a reference.

By submitting its proposal in response to this RFP, the consultant accepts the procurement method used and acknowledges and accepts that the evaluation process will require subjective judgments by SHA and the evaluation panel.

Any protest of the selection process shall be resolved in accordance with SHA's Procurement Policies, which may be reviewed at the following web site address:

http://seattlehousing.org/business/guidelines/pdf/Procurement_Policies.pdf

G. CONTRACT NEGOTIATIONS

SHA shall negotiate with the most qualified Proposer or Proposers, as determined by evaluation of the responses and, if applicable, interviews. If SHA is unable to reach agreement with any of the highest ranked firms, it may negotiate with the next highest ranked firm or firms, proceeding in turn to each firm that SHA has determined to be qualified, in order of rank. If agreement cannot be reached with any qualified firm, SHA reserves the right to cancel the solicitation.

SHA expects to execute a Contract for services for one year. At SHA's option, a Change Order may be executed extending the Contract(s) for up to four additional one-year periods, along with appropriate adjustments in the scope of work and compensation.

In addition to any SHA-owned properties that may be included in the scope of work of this solicitation, there may be other properties for which SHA serves as General and Managing Partner. These properties are Low-Income-Housing Tax Credit limited partnerships. If any of these Limited Partnership (LP) properties are included in the scope of work under this solicitation, the selected firm must also name those LP's as additional insureds to their policy under the required insurance coverages described under Section H. 11C. below. Vendor Fact Sheet Instructions

Thank you for your interest in doing business with the Seattle Housing Authority (SHA). We look forward to doing business with you. If you have any questions about completion of the Vendor Fact Sheet, please call us at (206) 615-3379.

In order for SHA to make payments to you or to procure goods or services from you, we need the information requested on the Vendor Fact Sheet, which also serves as a substitute IRS W-9 Form. The information about you will be entered into our computerized payment system and will allow us to make required reports to the Federal government about our business and payment transactions.

Substitute IRS Form W-9 Certification: In completing the Vendor Fact Sheet, you must sign the "Substitute IRS Form W-9 Certification" or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct taxpayer identification number to SHA, you must cross out the portion of the certification after the word "and" in line two, through the end of line five, before signing the form. Detailed instructions about IRS Form W-9 are included on the form, which may be obtained by calling our office at (206) 615-3379 or visiting the IRS web site at www.irs.gov.

Certification of Eligibility: In order to do business with SHA, the Vendor must be eligible to:

- 1) Be awarded contracts by any agency of the U.S. Government, HUD, or the State in which this Contract work is to be performed; or,
- 2) Participate in HUD programs pursuant to 24 CFR Part 24.

The websites to verify eligibility of the firm and its principals are: <https://www.sam.gov/portal/SAM> and http://portal.hud.gov/hudportal/HUD?src=/topics/limited_denials_of_participation. By signing the Vendor Fact Sheet, the Vendor understands that the certification of eligibility is a material representation of fact upon which reliance was placed when SHA agreed to enter into the transaction with the Vendor. SHA may require the Vendor to submit such certification on an annual basis depending on the terms of its contract or the frequency of its business transactions with SHA. If the Vendor subcontracts any portion of the work, the Vendor will be required to submit a similar certification of eligibility to SHA for any Vendor subcontracts. Any written contract executed between SHA and the Vendor shall include these provisions, which may also be referred to as Suspension/Debarment provisions.

Contract Payments: Unless SHA grants a waiver, its method of contract payment for contracts of one million or more is through its Bank of America epayables program. Payments will be made electronically through a virtual Visa credit card. Benefits for using this method include reduced labor costs associated with the processing of checks and enhancing cash flow by eliminating float time associated with the mailing of checks. To learn more about the program, please click here or copy and paste the following URL into your browser: www.bankofamerica.com/epayablesvendors. For new vendors, SHA will automatically send an enrollment form upon contract award. If you have questions about the program, please contact Brenda Mix, SHA's Accounts Payable Manager, at 206-615-3421 or bmix@seattlehousing.org.

Small Businesses: *The Vendor Fact Sheet also requests information about whether your business is owned and controlled by women or minorities, and/or is a small business.
