Any records or materials submitted to SHA in response to this RFP become public records under Washington State law (see RCW Chapter 42.56, the Public Disclosure Act, at http://www1.leg.wa.gov/LawsAndAgencyRules). Public records must be promptly disclosed upon request unless a statute exempts disclosure. Exemptions from disclosure include trade secrets and valuable formulas (see RCW 42.56 and RCW Ch. 19.108); however, public disclosure exemptions are narrow and specific. Proposers are expected to be familiar with any potentially-applicable exemptions, and the limits of those exemptions.

Proposers are obligated to separately bind and clearly mark as "proprietary" information any proposal records they believe are exempted from disclosure. The body of the proposal may refer to these separately-bound records. Proposers should mark as "proprietary" only that information they believe legitimately fits within a public-disclosure exemption. SHA may reject solicitation responses that are marked proprietary in their entirety.

If SHA receives a public disclosure request for records that a Proposer has marked as "proprietary information," SHA may notify the Proposer of this request and postpone disclosure briefly to allow the Proposer to file a lawsuit under RCW 42.17.330 to enjoin disclosure; however, this is a courtesy of SHA and not an obligation.

SHA has no obligation to assert an exemption from disclosure. If the Proposer believes that its records are exempt from disclosure, the Proposer is obligated to seek an injunction under RCW 42.56. By submitting a proposal, the Proposer acknowledges this obligation; the Proposer also acknowledges that SHA will have no obligation or liability to the Proposer if the records are disclosed.

- 3) <u>Cost of Preparing Proposals:</u> SHA will not be liable for any costs incurred by the Proposer in the preparation and presentation of proposals submitted in response to this RFP including, but not limited to, costs incurred in connection with the Proposer's participation in demonstrations and the pre-proposal conference.
- 4) Rights Reserved by SHA: SHA reserves the right to waive as an informality any irregularities in submittals and/or to reject any or all proposals. SHA requests that companies refrain from requesting public disclosure of selection information until a contract has been executed as a measure to best protect the solicitation process, particularly in the event of a cancellation or re-solicitation. With this preference stated, SHA shall continue to properly fulfill all public disclosure requests for such information as required by State Law.

C. <u>SCOPE OF WORK</u> – Unsubsidized Property Management Services

Background:

Third-party Property Management is currently used by the Seattle Housing Authority (SHA) for properties that have affordable housing programs in place with unique affordable housing program compliance requirements. However, SHA currently has two properties that are unsubsidized low-income housing, is actively evaluating the acquisition of one more unsubsidized property, and plans to acquire 196 additional unsubsidized units in 2020. By the end of 2020 SHA may have roughly 680 units of unsubsidized low-income housing with no unique compliance requirements differentiating the properties from typical market-rate housing, allowing for a broader market of property management service providers without affordable housing program expertise to potentially contract with SHA.

Property Name	Status	Unit Count	AH Program
Wedgewood Estates	SHA Owns	204	N/A
Spring Lake Apartments	SHA Owns	69	N/A
Northgate Plaza	Under Contract (Due Diligence)	211	N/A
Balance of Acquisition Program Goal	Authorized to Acquire	196	N/A
Total		680	

Given the increasing scale of SHA's unsubsidized housing portfolio, SHA is seeking a third-party property management service provider to manage one or more of these properties. Since additional properties may be acquired in the future, SHA is seeking to establish a master contract with a property management service provider that includes a flexible management fee matrix to allow for individual management contracts to be awarded for one or more of these properties, and possibly additional properties in the future.

Services

The types of Property Management services that may be requested from the Service Provider awarded this master contract with SHA include but are not limited to:

Operating budget preparation

- Development and/or implementation of management plans for each managed property
- Residential and commercial leasing strategy and administration. management of the application process, occupancy rates, waiting lists, rules and operating policy alternatives
- Property bank account setup and administration
- Property income collection
- Recruitment and training of site-based property management support staff
- Residential property management, including but not limited to oversight of site-based maintenance staff and management of outside contracts
- Preventative maintenance planning and implementation services
- Capital budgeting support in the form of reserve account forecasting and project recommendations to SHA
- Delivery of monthly, quarterly, and annual financial reports
- Delivery of monthly rent rolls
- Ongoing review of property for tenant safety and owner liability issues

Additionally, SHA may wish to utilize this master agreement to provide property management due diligence inspections and services in the months leading up to an acquisition closing and property takeover. These due diligence inspections and services could include any of the services described broadly in this section, but performed on a one-time basis for a fixed, one-time fee. Please provide your proposed scope of work for due diligence inspections and services and a separate fee schedule for that work—this will be also be considered when staff create scores for the evaluation criteria.

Objective

SHA is seeking a master agreement with a third-party property management service provider that would allow one or more unsubsidized residential properties to be managed under a standard fee matrix and management agreement terms applicable to a variety of property types. Further, SHA would like to utilize this master agreement to obtain property management due diligence and inspection services in the lead-up to closing on a potential acquisition and prior to entering into a property-specific management agreement.

Vendor Fact Sheet Instructions

Thank you for your interest in doing business with the Seattle Housing Authority (SHA). We look forward to doing business with you. If you have any questions about completion of the Vendor Fact Sheet, please call us at (206) 615-3379.

In order for SHA to make payments to you or to procure goods or services from you, we need the information requested on the Vendor Fact Sheet, which also serves as a substitute IRS W-9 Form. The information about you will be entered into our computerized payment system and will allow us to make required reports to the Federal government about our business and payment transactions.

Substitute IRS Form W-9 Certification: In completing the Vendor Fact Sheet, you must sign the "Substitute IRS Form W-9 Certification" or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct taxpayer identification number to SHA, you must cross out the portion of the certification after the word "and" in line two, through the end of line five, before signing the form. Detailed instructions about IRS Form W-9 are included on the form, which may be obtained by calling our office at (206) 615-3379 or visiting the IRS web site at www.irs.gov.

Certification of Eligibility: In order to do business with SHA, the Vendor must be eligible to:

- 1) Be awarded contracts by any agency of the U.S. Government, HUD, or the State in which this Contract work is to be performed; or,
- 2) Participate in HUD programs pursuant to 24 CFR Part 24.

The websites to verify eligibility of the firm and its principals are: https://www.sam.gov/SAM and the Vendor Fact Sheet, the Vendor understands that the certification of eligibility is a material representation of fact upon which reliance was placed when SHA agreed to enter into the transaction with the Vendor. SHA may require the Vendor to submit such certification on an annual basis depending on the terms of its contract or the frequency of its business transactions with SHA. If the Vendor subcontracts any portion of the work, the Vendor will be required to submit a similar certification of eligibility to SHA for any Vendor subcontracts. Any written contract executed between SHA and the Vendor shall include these provisions, which may also be referred to as Suspension/Debarment provisions.

Contract Payments: Unless SHA grants a waiver, its method of contract payment for contracts of one million or more is through its Bank of America epayables program. Payments will be made electronically through a virtual Visa credit card. Benefits for using this method include reduced labor costs associated with the processing of checks and enhancing cash flow by eliminating float time associated with the mailing of checks. To learn more about the program, please click here or copy and paste the following URL into your browser: www.bankofamerica.com/epayablesvendors. For new vendors, SHA will automatically send an enrollment form upon contract award. If you have questions about the program, please contact Brenda Mix. SHA's Accounts Payable Manager, at 206-615-3421 Brenda.Mix@seattlehousing.org.
