Any records or materials submitted to SHA in response to this RFQ become public records under Washington State law (see RCW Chapter 42.56, the Public Disclosure Act, at http://www1.leg.wa.gov/LawsAndAgencyRules). Public records must be promptly disclosed upon request unless a statute exempts disclosure. Exemptions from disclosure include trade secrets and valuable formulas (see RCW 42.56 and RCW Ch. 19.108); however, public disclosure exemptions are narrow and specific. Submitters are expected to be familiar with any potentially-applicable exemptions, and the limits of those exemptions.

Submitters are obligated to separately bind and clearly mark as "proprietary" information any submittal records they believe are exempted from disclosure. The body of the submittal may refer to these separately-bound records. Submitters should mark as "proprietary" only that information they believe legitimately fits within a public-disclosure exemption. SHA may reject solicitation responses that are marked proprietary in their entirety.

If SHA receives a public disclosure request for records that a Submitter has marked as "proprietary information," SHA may notify the Submitter of this request and postpone disclosure briefly to allow the Submitter to file a lawsuit under RCW 42.17.330 to enjoin disclosure; however, this is a courtesy of SHA and not an obligation.

SHA has no obligation to assert an exemption from disclosure. If the Submitter believes that its records are exempt from disclosure, the Submitter is obligated to seek an injunction under RCW 42.56. By submitting, the Submitter acknowledges this obligation; the Submitter also acknowledges that SHA will have no obligation or liability to the Submitter if the records are disclosed.

- 3) <u>Cost of Preparing Submittals:</u> SHA will not be liable for any costs incurred by the Submitter in the preparation and presentation of submittals submitted in response to this RFQ including, but not limited to, costs incurred in connection with the Submitter's participation in demonstrations and the pre-submittal conference.
- 4) <u>Rights Reserved by SHA:</u> SHA reserves the right to waive as an informality any irregularities in submittals and/or to reject any or all submittals. SHA requests that companies refrain from requesting public disclosure of selection information until a contract has been executed as a measure to best protect the solicitation process, particularly in the event of a cancellation or re-solicitation. With this preference stated, SHA shall continue to properly fulfill all public disclosure requests for such information as required by State Law.

To have its qualifications further considered in Part II, a firm must within the past five years, on its own and not in a team arrangement with another firm, have provided complete architectural services, from schematic design through construction administration and project closeout, for at least one *qualifying project*. A *qualifying project* is one having *all* of the following characteristics:

E. EVALUATION CRITERIA

Submittals will be evaluated based on the criteria listed in this section and further described in Section D above. In preparing the submittal to SHA, it is important for submitters to clearly demonstrate their expertise in the areas described in this document. Submitters are encouraged to identify and clearly label in their submittal how each criterion is being fully addressed. Evaluation of responses to this RFQ will be based only on the information provided in the submittal package, and if applicable, interviews, and reference responses. SHA reserves the right to request additional information or documentation from the firm regarding its submittal documents, personnel, financial viability, or other items in order to complete the selection process. If a responding firm chooses to provide additional materials in their submittal beyond those requested, those materials should be identified as such and included in a separate section of the submittal.

The following criteria with a point system of relative importance with an aggregate total of one hundred (*must match the Total Maximum Points for Qualifications in table below*) points will be utilized to evaluate the qualifications of each submitter:

	Evaluation Criteria - Qualifications	Firm Weighting (Max. Points)	Staff Weighting (Max. Points)
1	Women and Minority Business Enterprise (WMBE) Inclusion Plan (See Section D above for a complete description of this Criterion.)	20	N/A

F. SELECTION PROCESS

An evaluation panel will rate all responses to this RFQ that are received on or before the stated deadline, according to the criteria listed above. Based on its initial evaluation, the panel may:

- 1. Make a recommendation to SHA's Executive Director and request authority to negotiate a Contract with one or more submitters; or
- 2. Request additional information from the submitter or submitters whose responses appear to have the greatest likelihood of success; and/or
- 3. Invite one or more submitter whose responses appear to have the greatest likelihood of success to attend an interview/presentation to discuss their submittal; and then make a recommendation to SHA's Executive Director and request authority to negotiate a contract with one or more submitters.

SHA reserves the right to conduct reference checks, at either or at both of the following two points of the evaluation process:

- 1. After submittals are evaluated, for the submitter or submitters with the highest-scoring submittal(s).
- 2. In the event that interviews are held, for the submitter or submitters with the highest-scoring submittal(s) and interview(s).

In the event that information obtained from the reference checks reveals concerns about any submitter's past performance and their ability to successfully perform the contract to be executed based on this RFQ, SHA may, at its sole discretion, determine that the Submitter is not a responsible submitter and may select the next highest-ranked Submitter whose reference checks validate the ability of the Submitter to successfully perform the contract to be executed based on this RFQ. In conducting reference checks, SHA may include itself as a reference if the Submitter has performed work for SHA, even if the Submitter did not identify SHA as a reference.

By submitting in response to this RFQ, the submitter accepts the procurement method used and acknowledges and accepts that the evaluation process will require subjective judgments by SHA and the evaluation panel.

Any protest of the selection process shall be resolved in accordance with SHA's Procurement Policies, which may be reviewed at the following web site address:

https://www.seattlehousing.org/sites/default/files/Procurement%20Policies.pdf

G. CONTRACT NEGOTIATIONS

SHA shall negotiate with the most qualified Submitter or Submitters, as determined by evaluation of the responses and, if applicable, interviews. If SHA is unable to reach agreement with any of the highest ranked firms, it may negotiate with the next highest ranked firm or firms, proceeding in turn to each firm that SHA has determined to be qualified, in order of rank. If agreement cannot be reached with any qualified firm, SHA reserves the right to cancel the solicitation.

Within seven (7) days from the date of the Notice of Award, and prior to commencement of the Work, Consultant shall obtain all the insurance required by the Contract Documents and provide evidence satisfactory to Owner that such insurance has been procured. Review of the Consultant's insurance by Owner shall not relieve or decrease the liability of Consultant.

Failure of the Consultant to fully comply with the insurance requirements of this Contract will be considered a material breach of contract and, at the option of Owner, will be cause for such action as may be available to Owner under other provisions of this Contract or otherwise in law, including immediate termination of the Contract.

- A. General Insurance Requirements:
 - 1. Prior to undertaking any work under this Contract, the Consultant shall procure and maintain continuously for the duration of this Contract, at no expense to Owner, insurance coverage as specified below, in connection with the performance of the work of this Contract by the Consultant, its agents, representatives, employees and/or subcontractors (the term subcontractors as used in this Contract shall include sub-consultants). Review of the Consultant 's insurance by Owner shall not relieve or decrease the liability of Consultant.
 - 2. The Consultant's insurance shall be primary as respects Owner, and any other insurance maintained by Owner shall be excess and not contributing insurance with the Consultant's insurance.

Vendor Fact Sheet Instructions

Thank you for your interest in doing business with the Seattle Housing Authority (SHA). We look forward to doing business with you. If you have any questions about completion of the Vendor Fact Sheet, please call us at (206) 615-3379.

In order for SHA to make payments to you or to procure goods or services from you, we need the information requested on the Vendor Fact Sheet, which also serves as a substitute IRS W-9 Form. The information about you will be entered into our computerized payment system and will allow us to make required reports to the Federal government about our business and payment transactions.

Substitute IRS Form W-9 Certification: In completing the Vendor Fact Sheet, you must sign the "Substitute IRS Form W-9 Certification" or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct taxpayer identification number to SHA, you must cross out the portion of the certification after the word "<u>and</u>" in line two, through the end of line five, before signing the form. Detailed instructions about IRS Form W-9 are included on the form, which may be obtained by calling our office at (206) 615-3379 or visiting the IRS web site at www.irs.gov.

<u>Certification of Eligibility</u>: In order to do business with SHA, the Vendor must be eligible to:

- 1) Be awarded contracts by any agency of the U.S. Government, HUD, or the State in which this Contract work is to be performed; or,
- 2) Participate in HUD programs pursuant to 24 CFR Part 24.

The websites to verify eligibility of the firm and its principals are: <u>https://www.sam.gov/SAM/</u> and

http://portal.hud.gov/hudportal/HUD?src=/topics/limited denials of participation. By signing the Vendor Fact Sheet, the Vendor understands that the certification of eligibility is a material representation of fact upon which reliance was placed when SHA agreed to enter into the transaction with the Vendor. SHA may require the Vendor to submit such certification on an annual basis depending on the terms of its contract or the frequency of its business transactions with SHA. If the Vendor subcontracts any portion of the work, the Vendor will be required to submit a similar certification of eligibility to SHA for any Vendor subcontracts. Any written contract executed between SHA and the Vendor shall include these provisions, which may also be referred to as Suspension/Debarment provisions.

<u>Contract Payments:</u> Unless SHA grants a waiver, its method of contract payment for contracts of one million or more is through its Bank of America epayables program. Payments will be made electronically through a virtual Visa credit card. Benefits for using this method include reduced labor costs associated with the processing of checks and enhancing cash flow by eliminating float time associated with the mailing of checks. To learn more about the program, please click here or copy and paste the following URL into your browser: <u>www.bankofamerica.com/epayablesvendors</u>. For new vendors, SHA will automatically send an enrollment form upon contract award. If you have questions about the program, please contact Brenda Mix, SHA's Accounts Payable Manager, at 206-615-3421 or Brenda.Mix@seattlehousing.org.

<u>Small Businesses:</u> The Vendor Fact Sheet also requests information about whether your business is owned and controlled by women or minorities, and/or is a small business. The following are definitions of these terms for your use. This information provides valuable information to SHA in its efforts to ensure its contracting program meets its diversity objectives and requirements.
