- Deadline for Questions: Tuesday, February 15, 2022 no later than 11:00 AM
- Submittals/Proposals Due: Tuesday, March 8, 2022 no later than 1:00 PM

The Seattle Housing Authority (SHA) for itself or as an agent for another SHA related entity (hereinafter "SHA"), is soliciting Submittals/Proposals from qualified individuals and businesses interested in performing the following:

#### **Project Description:**

This solicitation will be used to establish on-call contracts with one or more consultants. The selected Consultants(s) shall assist Seattle Housing Authority (SHA) employees advance racial and other social justice equity work in public housing. This Solicitation will develop a bench of consultants from whom SHA will be able to request Work Orders under on an on-call basis. The contracts executed under this solicitation may be extended annually for a period of up to five years.

#### **Scope of Work:**

The selected Consultant(s) will provide:

Curriculum and/or materials development, training, facilitation and/or coaching services that will deepen SHA employees and teams' capacity to advance race and social justice equity. This work may be conducted either in-person or remotely, depending on the agency's needs at the time. The specific work that will be done in each Work Order will be negotiated based on SHA's needs and the consultant's interest and availability at the time. The timeframes and the final pricing will be determined in each Work Order.

These services will be provided to individuals from a variety of diverse:

- Roles in an organization (ex: frontline workers, frontline supervisors, managers, executives, Board, resident/tenant leaders);
- Professional fields (ex: social work, property management, administrative staff, trades), educational backgrounds; and
- Racial and other demographic backgrounds (ex: fluency in English, immigrant/refugee experience, economic background, age, gender identity).

The following are some examples of the types of training and coaching which SHA may seek during year 1:

1. SHA is in the process of training and supporting teams throughout SHA on how to use the tools of Dialogue and Skillful Discussion (from the work on how to be a Learning Organization, from Boehm and Senge) to get to deeper levels of learning, decision making and relationship building in our teams in support of race and social justice equity. However, SHA's HR department does not have the capacity to facilitate the number of team discussions that will still be needed in late 2021 and early 2022. SHA would like to bring in an external consultant to deepen our bench of trainers and facilitators to support Dialogue and Skillful Discussion.

2. Often, SHA's departments are also requesting support from an external consultant to deepen their supervisors' ability to lead discussions about how our agency and their team can advance race and social justice equity. In most teams, this would look like having the external consultant help with group facilitation while providing training/coaching to build the capacity of department leaders to take this on.

3. SHA would like to develop a new training for SHA employees on making SHA an affirming and equitable workplace and provider when it comes to gender equity and sexual orientation. This training should be done from an anti-racist, intersectional lens.

4. SHA would like to develop a new training for SHA employees on understanding the impact of ableism and ensuring equity and inclusion for SHA participants and employees who have disabilities. This training should be done from an anti-racist, intersectional lens.

In years 2 to 5, the selected Consultant(s) will continue to develop and provide training and/or coaching on how to advance race and social justice equity.

The specific topics for training and/or coaching requested by SHA may include, but are not limited to: trauma informed practice; cultural competency; leading for racial and other social justice equity; undoing internalized oppression; facilitation of Race and Social Justice Affinity Groups and Caucuses; best practices for supervising and coaching employees with a focus on race and social justice equity; confronting racist and other oppressive talk and behavior; anti-harassment; bystander intervention; checking for the race and social justice equity impacts of SHA policy/practice: how to collect and analyze data with a focus on race and social justice equity; how to develop meaningful, authentic partnerships with people and communities most impacted; understanding the root causes of poverty and what helps families and individuals move out of poverty; understanding the history of, and the barriers facing, immigrant and refugee families in Seattle; how to work intersectionally (how to address where multiple oppressions overlap and amplify); self-care for people who are affected by and those who are working to end poverty, inequity and oppression; and other topics relevant to our work for race and social justice equity in public housing to be identified by SHA and/or proposed by the Consultant(s).

**Schedule:** It is anticipated that the work will be performed between 4/1/2022 and 12/31/2022.

**Anticipated Contract Duration:** SHA expects to execute a Contract for the requested services for the scheduled dates shown above. If necessary, and at SHA's option, time extensions and appropriate scope and compensation adjustments may be made by Change Orders to the Contract.

**Estimated Amount:** Work Orders across all the contracts cannot exceed \$150,000 over the five-year period.

**Women and Minority Business Enterprise (WMBE) Inclusion:** SHA requires submitters to make good-faith efforts to meet SHA’s 14% aspirational WMBE goal and provide meaningful opportunities to WMBE firms to participate in the direct performance of commercially useful work as part of the proposed Project Team.

Public agencies that file an Interlocal Joint Purchasing Agreement with SHA may also wish to procure the services herein offered by the successful party. The successful party shall have the option of extending its offer to SHA to other agencies for the same cost, terms and conditions.

SHA does not accept any responsibility for agreements, contracts or purchase orders issued by other public agencies to the successful party. Each public agency accepts responsibility for compliance with any additional or varying laws and regulations governing purchase by or on behalf of the public agency. **EXHIBIT 1**  
**SHA COVID-19 VACCINATION POLICY FOR CONTRACTORS**  
**HOUSING AUTHORITY OF THE CITY OF SEATTLE**  
**MANUAL OF OPERATIONS**

---

**SUBJECT:** COVID-19 Vaccination Policy for Contractors

---

**PURPOSE:** The Seattle Housing Authority (“SHA”) is instituting a COVID-19 vaccination requirement for all Contractors that work on SHA property and have prolonged interactions with SHA staff or SHA residents. This policy furthers SHA’s responsibility to provide and maintain a safe workplace, and will help to safeguard the health of SHA’s employees and their families, as well as SHA’s clients, residents, guests, and the community at large. The context for this policy is a surge in the transmission and contraction of COVID-19, especially among the unvaccinated and vulnerable members of the community.

The COVID-19 vaccines have been scientifically proven to be safe and highly effective at reducing serious illness and death within the workplace and the greater community. SHA has a responsibility to ensure a safe work environment for staff and ensure the safety of our residents. SHA serves some of the most vulnerable members of the community and the agency has a responsibility to ensure their safety.

As used in this policy, the term “Contractor” means any person engaged by or for SHA to work as an independent contractor, service provider, volunteer, or through any other formal or informal agreement to provide goods or services, whether compensated or uncompensated, and includes any employees, agents, contractors, subcontractors, licensees, and invitees of any of the foregoing, but does not include a visitor to or patron of SHA property

**SCOPE:** This policy applies to all Contractors, that work on SHA property and/or have prolonged interactions with SHA staff or SHA residents. The determination of whether work or service provided by a Contractor falls or will likely fall within the scope of this Policy shall be determined by SHA in its sole and absolute discretion. Types of work or services not considered to involve prolonged interactions with staff or residents include, by way of example;

1. New construction projects;
2. Site work that is outdoors and is not on a playground. Examples include sidewalk repairs, parking lot repairs and tree removal
3. Rehabilitation or repairs of vacant units that have no common entry or common areas; and
4. Emergency repairs.

**POLICY:** As a condition of contracting with SHA, the Contractor must ensure that all individuals who perform on-site work under the Contract by, for, under, or at the direction of the Contractor (including any employees, agents, contractors, subcontractors, licensees, and invitees) must have completed a full vaccination cycle with a U.S. FDA-authorized COVID-19 vaccine and must provide documentation to the Contractor proving their fully vaccinated status. Individuals are

considered fully vaccinated two weeks after the second dose of the Pfizer and Moderna vaccines, or two weeks after the single dose Johnson & Johnson vaccine. This requirement includes keeping up to date with booster vaccinations as recommended by public health agencies, once boosters are available locally, and complying with additional safety measures and protocols in the future as needed.

All Contractors are required to continue to follow all applicable laws and public health guidance, and must continue to adhere to SHA's COVID-19 protocols and policies.

**PROCEDURE:** The Contractor must develop and implement a vaccine verification plan that includes the following:

1. The Contractor will require any individuals performing work under the applicable contract who come on-site to provide proof of full vaccination against COVID-19 by providing one of the following:
  - CDC COVID-19 Vaccination Record Card or photo of the card; documentation of vaccination from a health care provider or electronic health record; state immunization information system record; or for an individual who was vaccinated outside of the United States, a reasonable equivalent of any of the above.
  - The Contractor will follow the requirements set forth in applicable law for granting a disability or religious exemption from the vaccination requirement and determine an appropriate reasonable accommodation, if available.
2. The Contractor will submit a declaration that will affirm that all individuals performing work under the applicable contract who come on-site have had their vaccine status verified or an appropriate accommodation has been granted for those who have been granted a disability or religious exemption, in accordance with applicable law, understanding that SHA may conduct spot checks of the Contractor's employees/subcontractors and may request a copy of the Contractor's plan or any documentation of compliance with the plan. Regardless, Contractors will be required to comply with all applicable workplace safety protocols (e.g. masking and social distancing). As required under SHA's COVID Safety Protocols, SHA will not permit unvaccinated individuals to perform work that is expected to have any interactions with residents. Accordingly, all Contractor employees having interactions with residents **must** be vaccinated regardless of any applicable religious or medical exemptions.
3. The Contractor will not be required to submit its vaccine verification plan unless specifically request by SHA.

**EFFECTIVE:** SHA has adopted this policy as of November 1, 2021. Any solicitation issued on or after this date shall incorporate this policy in its entirety and for any award resulting from a solicitation issued on or after November 1, 2021 the requirements of this policy shall be effective upon contract execution.

For any solicitations that have been issued prior to November 1, 2021 but a contract has not been awarded, Contractors shall be given until January 1, 2022 to accept the additional terms associated

with this policy. In the event that a Contractor does not accept the terms of the policy, their proposal or bid submission shall be rejected and second closest proposer/bidder shall be contacted for award consideration.

Additionally, SHA shall, to the extent permitted by law and by the terms of existing contracts, extend the requirements of this policy to existing contracts and contract-like instruments. This policy will remain in effect until SHA determines it is no longer needed based upon the threat of the virus, public health guidance, or such other considerations as SHA may deem appropriate.

## Vendor Fact Sheet Instructions

Thank you for your interest in doing business with the Seattle Housing Authority (SHA). We look forward to doing business with you. If you have any questions about completion of the Vendor Fact Sheet, please call us at (206) 615-3379.

In order for SHA to make payments to you or to procure goods or services from you, we need the information requested on the Vendor Fact Sheet, which also serves as a substitute IRS W-9 Form. The information about you will be entered into our computerized payment system and will allow us to make required reports to the Federal government about our business and payment transactions.

**Substitute IRS Form W-9 Certification:** In completing the Vendor Fact Sheet, you must sign the "Substitute IRS Form W-9 Certification" or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct taxpayer identification number to SHA, you must cross out the portion of the certification after the word "and" in line two, through the end of line five, before signing the form. Detailed instructions about IRS Form W-9 are included on the form, which may be obtained by calling our office at (206) 615-3379 or visiting the IRS web site at [www.irs.gov](http://www.irs.gov).

**Certification of Eligibility:** In order to do business with SHA, the Vendor must be eligible to:

- 1) Be awarded contracts by any agency of the U.S. Government, HUD, or the State in which this Contract work is to be performed; or,
- 2) Participate in HUD programs pursuant to 24 CFR Part 24.

The websites to verify eligibility of the firm and its principals are: <https://sam.gov/SAM> and [http://portal.hud.gov/hudportal/HUD?src=/topics/limited\\_denials\\_of\\_participation](http://portal.hud.gov/hudportal/HUD?src=/topics/limited_denials_of_participation). By signing the Vendor Fact Sheet, the Vendor understands that the certification of eligibility is a material representation of fact upon which reliance was placed when SHA agreed to enter into the transaction with the Vendor. SHA may require the Vendor to submit such certification on an annual basis depending on the terms of its contract or the frequency of its business transactions with SHA. If the Vendor subcontracts any portion of the work, the Vendor will be required to submit a similar certification of eligibility to SHA for any Vendor subcontracts. Any written contract executed between SHA and the Vendor shall include these provisions, which may also be referred to as Suspension/Debarment provisions

**Contract Payments:** Unless SHA grants a waiver, its method of contract payment for contracts of one million or more is through its Bank of America epayables program. Payments will be made electronically through a virtual Visa credit card. Benefits for using this method include reduced labor costs associated with the processing of checks and enhancing cash flow by eliminating float time associated with the mailing of checks. To learn more about the program, please click here or copy and paste the following URL into your browser: [www.bankofamerica.com/epayablesvendors](http://www.bankofamerica.com/epayablesvendors). SHA residents, preferably residents of the SHA community in which the work is to be done, are favored over other low-income residents of the MSA.

### For construction contracts only:

- Each bidder is required to submit with their bid package a plan which will result in the hiring of Section 3 residents to perform the work contemplated by the bid. SHA has established a goal that 100% of all new hires be Section 3 Residents to the greatest extent feasible.

In addition, the Contractor must notify each labor organization with whom it or its subcontractors have a collective bargaining agreement or other understanding of these Section 3 commitments.

### For consulting contracts only:

- Firms are required to include this Section 3 Resident Employment Plan (hereinafter “Plan”) in their submittal showing, if applicable, the hiring of Section 3 residents to perform the work contemplated by the submittal.

In order to fulfill its Section 3 obligations, the Contractor/ Consultant may work with service providers on site at various SHA communities including, but not limited to, Neighborhood House and the Employment Opportunities Center. The plan should specify the number of positions the Contractor/ Consultant expects will be created and what minimum qualifications and skills will be required in order to perform the positions.
