Any records or materials submitted to SHA in response to this RFP become public records under Washington State law (see RCW Chapter 42.56, the Public Disclosure Act, at <http://www1.leg.wa.gov/LawsAndAgencyRules>). Public records must be promptly disclosed upon request unless a statute exempts disclosure. Exemptions from disclosure include trade secrets and valuable formulas (see RCW 42.56 and RCW Ch. 19.108); however, public disclosure exemptions are narrow and specific. Proposers are expected to be familiar with any potentially-applicable exemptions, and the limits of those exemptions.

Proposers are obligated to separately bind and clearly mark as “proprietary” information any proposal records they believe are exempted from disclosure. The body of the proposal may refer to these separately bound records. Proposers should mark as “proprietary” only that information they believe legitimately fits within a public-disclosure exemption. SHA may reject solicitation responses that are marked proprietary in their entirety.

If SHA receives a public disclosure request for records that a Proposer has marked as “proprietary information,” SHA may notify the Proposer of this request and postpone disclosure briefly to allow the Proposer to file a lawsuit under RCW 42.17.330 to enjoin disclosure; however, this is a courtesy of SHA and not an obligation.

SHA has no obligation to assert an exemption from disclosure. If the Proposer believes that its records are exempt from disclosure, the Proposer is obligated to seek an injunction under RCW 42.56. By submitting a proposal, the Proposer acknowledges this obligation; the Proposer also acknowledges that SHA will have no obligation or liability to the Proposer if the records are disclosed.

- 3) **Cost of Preparing Proposals:** SHA will not be liable for any costs incurred by the Proposer in the preparation and presentation of proposals submitted in response to this RFP including, but not limited to, costs incurred in connection with the Proposer’s participation in demonstrations and the pre-proposal conference.
- 4) **Rights Reserved by SHA:** SHA reserves the right to waive as an informality any irregularities in submittals and/or to reject any or all proposals. SHA requests that companies refrain from requesting public disclosure of selection information until a contract has been executed as a measure to best protect the solicitation process, particularly in the event of a cancellation or re-solicitation. With this preference stated, SHA shall continue to properly fulfill all public disclosure requests for such information as required by State Law.

## **F. SELECTION PROCESS**

An evaluation panel will rate all responses to this RFP that are received on or before the stated deadline, according to the criteria listed above. Based on its initial evaluation, the panel may:

1. Make a recommendation to SHA's Executive Director and request authority to negotiate a Contract with one or more proposers; or
2. Request additional information from the proposer or proposers whose responses appear to have the greatest likelihood of success; and/or
3. Invite one or more proposer whose responses appear to have the greatest likelihood of success to attend an interview/presentation to discuss their proposal; and then make a recommendation to SHA's Executive Director and request authority to negotiate a contract with one or more proposers.

SHA reserves the right to conduct reference checks, at either or at both of the following two points of the evaluation process:

1. After proposals are evaluated, for the proposer or proposers with the highest-scoring proposal(s);
2. In the event that interviews are held, for the proposer or proposers with the highest-scoring proposal(s) and interview(s).

In the event that information obtained from the reference checks reveals concerns about any proposer's past performance and their ability to successfully perform the contract to be executed based on this RFP, SHA may, at its sole discretion, determine that the Proposer is not a responsible proposer and may select the next highest-ranked Proposer whose reference checks validate the ability of the Proposer to successfully perform the contract to be executed based on this RFP. In conducting reference checks, SHA may include itself as a reference if the Proposer has performed work for SHA, even if the Proposer did not identify SHA as a reference.

By submitting its proposal in response to this RFP, the consultant accepts the procurement method used and acknowledges and accepts that the evaluation process will require subjective judgments by SHA and the evaluation panel.

Any protest of the selection process shall be resolved in accordance with SHA's Procurement Policies, which may be reviewed at the following web site address:

<https://www.seattlehousing.org/sites/default/files/Procurement%20Policies.pdf>

## **G. CONTRACT NEGOTIATIONS**

SHA shall negotiate with the most qualified Proposer or Proposers, as determined by evaluation of the responses and, if applicable, interviews. If SHA is unable to reach agreement with any of the highest ranked firms, it may negotiate with the next highest ranked firm or firms, proceeding in turn to each firm that SHA has determined to be

qualified, in order of rank. If agreement cannot be reached with any qualified firm, SHA reserves the right to cancel the solicitation.

SHA expects to execute one Contract for services for a 5 year period. At SHA's option, a Change Order may be executed extending the contract for up to four additional one-year periods, along with appropriate adjustments in the scope of work and compensation.

All documents and products created by the Consultant and their sub-consultants shall become the exclusive property of SHA.
- 7) **Other Contracts:** During the original term and all subsequent renewal terms of the contract resulting from this RFP, SHA expressly reserves the right, through any other sources available, to pursue and implement alternative means of soliciting and awarding similar or related services as described in this RFP.
- 8) **Funding Availability:** By responding to this RFP, the Proposer acknowledges that for any contract signed as a result of this RFP, the authority to proceed with the work is contingent upon the availability of funding.
- 9) **For-Profit Subgrantee and Contractor Certifications and Assurances Form:** In the event that the Contract for these services includes any Federal Grant Funds, the Consultant must submit a completed and signed Certifications and Assurances Form (copy attached to this RFP) for itself and each sub-consultant, if known will be utilized on the Contract. Such form shall be submitted to SHA with the one original submittal for this RFP.
- 10) **Contract Requirements:** Proposers may review a sample of SHA's standard contract language that will form the basis for any contract executed based on this solicitation by visiting the following link:

[https://seattlehousing.org/sites/default/files/Consultant\\_Professional\\_Services\\_Contract.pdf](https://seattlehousing.org/sites/default/files/Consultant_Professional_Services_Contract.pdf)

SHA's standard contract document is intended to guide you in developing your proposal. The actual contract that the successful Proposer and SHA will sign will be based on this sample contract. Please be advised that SHA will only negotiate some aspects of the contract. Much of the contents of the sample contract are based on non-flexible requirements and cannot be modified in any form.

In addition to any SHA-owned properties that may be included in the scope of work of this solicitation, there may be other properties for which SHA serves as General and Managing Partner. These properties are Low-Income-Housing Tax Credit limited partnerships. If any of these Limited Partnership (LP) properties are included in the scope of work under this solicitation, the selected firm must also name those LP's as additional insureds to their policy under the required insurance coverages described under Section H. 11C. below. The Contract(s) resulting from this solicitation must also

be entered into by SHA, the selected firm, and all legal entities, including the LPs if applicable.

SHA may also be acting as an agent to Condominium or other Associations that are associated with the SHA or LP properties included in the scope of work for this solicitation. If so, the contract(s) resulting from this solicitation will be between the selected firm and the applicable Association.

## Vendor Fact Sheet Instructions

Thank you for your interest in doing business with the Seattle Housing Authority (SHA). We look forward to doing business with you. If you have any questions about completion of the Vendor Fact Sheet, please call us at (206) 615-3379.

In order for SHA to make payments to you or to procure goods or services from you, we need the information requested on the Vendor Fact Sheet, which also serves as a substitute IRS W-9 Form. The information about you will be entered into our computerized payment system and will allow us to make required reports to the Federal government about our business and payment transactions.

**Substitute IRS Form W-9 Certification:** In completing the Vendor Fact Sheet, you must sign the "Substitute IRS Form W-9 Certification" or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct taxpayer identification number to SHA, you must cross out the portion of the certification after the word "and" in line two, through the end of line five, before signing the form. Detailed instructions about IRS Form W-9 are included on the form, which may be obtained by calling our office at (206) 615-3379 or visiting the IRS web site at [www.irs.gov](http://www.irs.gov).

**Certification of Eligibility:** In order to do business with SHA, the Vendor must be eligible to:

- 1) Be awarded contracts by any agency of the U.S. Government, HUD, or the State in which this Contract work is to be performed; or,
- 2) Participate in HUD programs pursuant to 24 CFR Part 24.

The websites to verify eligibility of the firm and its principals are: <https://www.sam.gov/SAM> and [http://portal.hud.gov/hudportal/HUD?src=/topics/limited denials of participation](http://portal.hud.gov/hudportal/HUD?src=/topics/limited_denials_of_participation). By signing the Vendor Fact Sheet, the Vendor understands that the certification of eligibility is a material representation of fact upon which reliance was placed when SHA agreed to enter into the transaction with the Vendor. SHA may require the Vendor to submit such certification on an annual basis depending on the terms of its contract or the frequency of its business transactions with SHA. If the Vendor subcontracts any portion of the work, the Vendor will be required to submit a similar certification of eligibility to SHA for any Vendor subcontracts. Any written contract executed between SHA and the Vendor shall include these provisions, which may also be referred to as Suspension/Debarment provisions.

**Contract Payments:** Unless SHA grants a waiver, its method of contract payment for contracts of one million or more is through its Bank of America e-payables program. Payments will be made electronically through a virtual Visa credit card. Benefits for using this method include reduced labor costs associated with the processing of checks and enhancing cash flow by eliminating float time associated with the mailing of checks. To learn more about the program, please click here or copy and paste the following URL into your browser: [www.bankofamerica.com/epayablesvendors](http://www.bankofamerica.com/epayablesvendors). For new vendors, SHA will automatically send an enrollment form upon contract award. If you have questions about the program, please contact, SHA's Accounts Payable Manager, at 206-615-3483 or [tran.wong@seattlehousing.org](mailto:tran.wong@seattlehousing.org).
