This Addendum lists questions received and SHA's responses (see Item 1 below).

**Item 1.** The following is a list of questions received and SHA's responses to those questions.

Question 1. Can you please update me if this has Fencing and Gates?

Response: *There are no fencing nor gates. Some areas have an overhead structure that plants do grow around (example in picture below). This picture is from google. It's a bit more maintained now, but it'll look similar to that. But it's not gated.*
