Item 2. The Scope of Work on pages 2, 4, and 8 is updated to allow refurbished washers and dryers to be utilized.

Item 3. The **submission deadline** is **12PM, November 12th, 2026** per Addendum #3.

Exhibit A

Question #	Question	Response
1	Could you also confirm the current vending prices per wash and dry? I noticed that the RFP requires them to be set at \$1.25 per wash and \$1.00 per dry, but was curious if they are currently set at a different rate?	Current pricing: Washers are at \$1.25 per load and dryers are at \$1.00 per load
2	would SHA consider new certified equipment as an alternative to brand-new machines?	Yes, SHA would consider certified and/or refurbished equipment as an alternative.
3	Did not see the answer for the question concerning the addresses for the properties – Only the 1st 16 listed on the original spreadsheet have building addresses, 79 locations are names only. Can you provide the addresses for all properties?	The addresses will be provided upon award of the Contract.
