

Learn about King County's New, Free Housing Locator Service,

## **HousingSearchNW.org**

### **Register for Your FREE Online Training Session Today**

- View a live demo of this free resource for listing and locating housing anywhere in King County.
- See how easy it is to list and search for properties that are updated constantly.
- Explore how customized search fields allow users to search by very specific criteria such as affordability, proximity to public transit, building type, and other key amenities.
- Learn about the array of supportive services offered by the toll-free, call center, from keeping housing listings up-to-date to assisting tenants with housing location.
- Hear about the agencies helping to fund and promote HousingSearchNW.org, what they are doing to ensure the site's success, and what you can do to help spread the word.

Register for a FREE, online training opportunity.

**Wednesday, Feb. 29, at 10 a.m. Pacific Time**
