SHA Portal

What is the SHA Portal?

The SHA Portal is a secure, convenient way for SHA residents, and Housing Choice Voucher participants and landlords to conduct business with the Seattle Housing Authority.

Tenants can submit annual recertification information, update their contact information and contact their property manager or certification specialist. Landlords can use the SHA Portal to manage their property accounts and transact other business with SHA.

How do I sign up?

SHA is opening access to the SHA Portal in phases and will provide tenants, landlords and applicants with a one-time code to register when the SHA Portal is ready for them to begin using it. Users need a valid email address to access the SHA Portal.

If you have already registered and want to log in, or have been sent a code and need to register, please click below. If you need help with one-time registration see **detailed instructions.**
