ELIGIBLE IMMIGRATION STATUS Verification Consent Form

Section 214 of the Housing and Community Development Act of 1980, as amended, requires the Seattle Housing Authority (SHA) and the Department of Housing & Urban Development (HUD) to ensure the financial assistance is made available only to persons who are U.S. Citizens, U.S. Nationals or Non-citizens who have been lawfully admitted to the United States and considered to have "eligible immigration status." The law requires all tenants for assisted housing who claim to have "eligible immigration status" to sign a consent form authorizing SHA and HUD to verify the information supplied with the U.S. Department of Homeland Security (DHS).

Purpose: This information is required to determine your eligibility for continued housing assistance (Federal subsidy).

Use of the Information to be Obtained: The evidence you supply to document your eligibility for housing assistance may be released by the Housing Authority, without responsibility for the further use or transmission of the evidence by the entity receiving it, (1) HUD, as required by HUD, and (2) the DHS for the purpose of establishing eligibility for financial assistance and not for any other purpose. However, neither SHA nor HUD are responsible for the further use or transmission of the evidence or other information by the DHS.

Who Must Sign This Consent Form? Each non-citizen in the household who will be receiving housing assistance and claims "eligible immigration status" must sign below. Adults, age 18 years or older, must sign for themselves. In the case of minor children (under 18 years old), the form must be signed by the head of household and/or adult member who is responsible for each minor child.

Failure to Sign the Consent Form: Your failure to sign the consent form may result in the denial of eligibility or termination of assisted housing (subsidy) benefits, or both. Denial of eligibility or termination of benefits (subsidy) is subject to the Housing Authority's grievance procedures or Section 8's informal hearing process, whichever is applicable.

Consent: I authorize the Housing Authority of the City of Seattle, or HUD to request and obtain verification from the DHS of the information I have supplied regarding my immigration status. I understand that this information is true and accurate to the best of my knowledge.

- Section 8 Moderate Rehabilitation (24 CFR 882)

The U.S. Department of Housing and Urban Development maintains a national repository of debts owed to Public Housing Agencies (PHAs) or Section 8 landlords and adverse information of former participants who have voluntarily or involuntarily terminated participation in one of the above-listed HUD rental assistance programs. This information is maintained within HUD's Enterprise Income Verification (EIV) system, which is used by Public Housing Agencies (PHAs) and their management agents to verify employment and income information of program participants, as well as, to reduce administrative and rental assistance payment errors. The EIV system is designed to assist PHAs and HUD in ensuring that families are eligible to participate in HUD rental assistance programs and determining the correct amount of rental assistance a family is eligible for. All PHAs are required to use this system in accordance with HUD regulations at 24 CFR 5.233.

HUD requires PHAs, which administers the above-listed rental housing programs, to report certain information at the conclusion of your participation in a HUD rental assistance program. This notice provides you with information on what information the PHA is required to provide HUD, who will have access to this information, how this information is used and your rights. Each adult household member must sign this form.

What information about you and your tenancy does HUD collect from the PHA?

08/2013 Form HUD-52675

Who will have access to the information collected?

This information will be available to HUD employees, PHA employees, and contractors of HUD and PHAs.

How will this information be used?

PHAs will have access to this information during the time of application for rental assistance and reexamination of family income and composition for existing participants. PHAs will be able to access this information to determine a family's suitability for initial or continued rental assistance, and avoid providing limited Federal housing assistance to families who have previously been unable to comply with HUD program requirements. If the reported information is accurate, a PHA may terminate your current rental assistance and deny your future request for HUD rental assistance, subject to PHA policy.

How long is the debt owed and termination information maintained in EIV?

Debt owed and termination information will be maintained in EIV for a period of up to ten (10) years from the end of participation date or such other period consistent with State Law.

What are my rights?

In accordance with the Federal Privacy Act of 1974, as amended (5 USC 552a) and HUD regulations pertaining to its implementation of the Federal Privacy Act of 1974 (24 CFR Part 16), you have the following rights:

- 1. To have access to your records maintained by HUD, subject to 24 CFR Part 16.
- 2. To have an administrative review of HUD's initial denial of your request to have access to your records maintained by HUD.
- 3. To have incorrect information in your record corrected upon written request.
- 4. To file an appeal request of an initial adverse determination on correction or amendment of record request within 30 calendar days after the issuance of the written denial.
- 5. To have your record disclosed to a third party upon receipt of your written and signed request.

What do I do if I dispute the debt or termination information reported about me?

If you disagree with the reported information, you should contact in writing the PHA who has reported this information about you. The PHA's name, address, and telephone numbers are listed on the Debts Owed and Termination Report. You have a right to request and obtain a copy of this report from the PHA. Inform the PHA why you dispute the information and provide any documentation that supports your dispute. HUD's record retention policies at 24 CFR Part 908 and 24 CFR Part 982 provide that the PHA may destroy your records three years from the date your participation in the program ends. To ensure the availability of your records, disputes of the original debt or termination information must be made within three years from the end of participation date; otherwise the debt and termination information will be presumed correct. Only the PHA who reported the adverse information about you can delete or correct your record.

Your filing of bankruptcy will not result in the removal of debt owed or termination information from HUD's EIV system. However, if you have included this debt in your bankruptcy filing and/or this debt has been discharged by the bankruptcy court, your record will be updated to include the bankruptcy indicator, when you provide the PHA with documentation of your bankruptcy status.

The PHA will notify you in writing of its action regarding your dispute within 30 days of receiving your written dispute. If the PHA determines that the disputed information is incorrect, the PHA will update or delete the record. If the PHA determines that the disputed information is correct, the PHA will provide an explanation as to why the information is correct.
