Any records or materials submitted to SHA in response to this RFP become public records under Washington State law (see RCW Chapter 42.56, the Public Disclosure Act, at <http://www1.leg.wa.gov/LawsAndAgencyRules>). Public records must be promptly disclosed upon request unless a statute exempts disclosure. Exemptions from disclosure include trade secrets and valuable formulas (see RCW 42.56 and RCW Ch. 19.108); however, public disclosure exemptions are narrow and specific. Proposers are expected to be familiar with any potentially applicable exemptions, and the limits of those exemptions.

Proposers are obligated to separately bind and clearly mark as “proprietary” information any proposal records they believe are exempted from disclosure. The body of the proposal may refer to these separately bound records. Proposers

should mark as “proprietary” only that information they believe legitimately fits within a public-disclosure exemption. SHA may reject solicitation responses that are marked proprietary in their entirety.

If SHA receives a public disclosure request for records that a Proposer has marked as “proprietary information,” SHA may notify the Proposer of this request and postpone disclosure briefly to allow the Proposer to file a lawsuit under RCW 42.17.330 to enjoin disclosure; however, this is a courtesy of SHA and not an obligation.

SHA has no obligation to assert an exemption from disclosure. If the Proposer believes that its records are exempt from disclosure, the Proposer is obligated to seek an injunction under RCW 42.56. By submitting a proposal, the Proposer acknowledges this obligation; the Proposer also acknowledges that SHA will have no obligation or liability to the Proposer if the records are disclosed.

- 3) **Cost of Preparing Proposals:** SHA will not be liable for any costs incurred by the Proposer in the preparation and presentation of proposals submitted in response to this RFP including, but not limited to, costs incurred in connection with the Proposer’s participation in demonstrations and the pre-proposal conference.
- 4) **Rights Reserved by SHA:** SHA reserves the right to waive as an informality any irregularities in submittals and/or to reject any or all proposals. SHA requests that companies refrain from requesting public disclosure of selection information until a contract has been executed as a measure to best protect the solicitation process, particularly in the event of a cancellation or re-solicitation. With this preference stated, SHA shall continue to properly fulfill all public disclosure requests for such information as required by State Law.

C. SCOPE OF WORK

The selected Consultant shall be asked to perform the following tasks:
SHA has two categories of services to be offered to SHA communities. SHA is requesting Proposals from firms for each of those categories listed below. Your firm may submit proposals for as many of the following different training and coaching services categories as you wish, you are not limited to proposing on just one category.

The purpose of these categories is to implement neighborhood-based summer youth program for the various SHA communities that ensures that youth have access to high-quality summer programming.

SHA is requiring separate Proposals for each category; please include information on which programming applies to a specific community you are submitting for. Please indicate which category and community to be served for which you are proposing for in your cover letter for that submittal. If different proposers are selected for each category; there will be separate Contracts for each category. If the same proposer is evaluated and rated highest for the various communities, the categories can be included in one Contract.

Category 1. Summer Extracurricular Activities:

The summer extracurricular activities program will include the following components:

- Arts and Crafts: Engaging in arts and crafts projects that encourage creativity and self-expression.
- Sports and Recreation: Organized sports activities, outdoor games, and recreational opportunities to promote physical fitness and teamwork.
- Performing Arts: Workshops and performances in music, dance, theater, and other performing arts disciplines.
- Life Skills Workshops: Interactive sessions focusing on practical life skills such as communication, decision-making, and financial literacy.
- Field Trips: Excursions to local attractions, museums, parks, and other educational and recreational venues.
- Community Service Projects: Opportunities for participants to engage in meaningful community service activities and give back to their communities.
- Internships & Stipends Program Management & Development

The Service Provider shall perform, but not be limited to, the following tasks:

- 1) Hire and/or identify a coordinator to lead the project. Coordinator should lead and monitor all aspects of the project, including offering training, coaching and on-going guidance to community providers. We anticipate the need for 350 to 500 hours of coordination for each community. Based on the timing of this solicitation, it may be necessary to have more than one coordinator for programming in 2024.
- 2) Hire and/or identify an on-site lead for each community. On-site leads should partner with SHA Community Builder and serve as the main contact for on-site programming.
- 3) Provide background checks for all staff and volunteers who will work with youth. The background check plan should be clearly laid out in the proposal and the details of the plan will be reviewed by SHA's Risk Management team.
- 4) Offer insurance that covers all activities, volunteers, and youth within the programming, or include a partnership that ensures this coverage is available.
- 5) Work with SHA Education team & Community Builders to identify key service providers and community members to work with. Provide stipends and funding to these partners for services. Funding to these partners must be available up-front; SHA will reimburse the contracted service provider. The Stipend shall be up to \$1,400 per youth and provider can use \$200 dollars for admin fee.
- 6) Identify what activities and services already exist in the communities; create calendar of current local services.
- 7) Identify best times for the community to provide services (for example, do families get up early or late? Does youth tend to have summer school or cultural programming that affects their day?).
- 8) Work with community members and community providers to provide a wide variety of free activities for youth living in the SHA community you are submitting for.

- 9) Create a tracking system to ensure that the programs are able to track how many SHA youth (i.e., youth who live in housing subsidized by SHA) are served including demographics and identifying unduplicated totals.
- 10) At least 1/3 of activities should be sports and recreation activities. This means that about 1/3 of total participants served should engage in sports and recreation activities and that about 1/3 of activities by time on the calendar should be sports or recreation related. Approximately 1/3 of programming should be arts of various kinds. The remaining 1/3 of programming may be arts, sports or other activities of interest identified by the community.
- 11) Proposals that include working with community members to lead program activities (such as a few parents to lead and coach soccer and/or hiking adventures) will receive higher scores. These community members can serve as volunteers and/or be paid for their services.
- 12) Create community calendar of activities that includes activities that are part of this contract as well as activities that are available in and near the community offered by other providers. Distribute this calendar widely, including using SHA free door hanging at the end of each month. Initial calendar should be available as soon as possible and not later than June 15, 2023. Updates should be made and circulated.
- 13) Offer programming indoors and in SHA community parks. SHA would like to see more positive activities for youth in our parks outdoor during the summer. High Point has tent canopies available for use during lightly rainy and/or very hot outdoor programming days. Activities should take place in parks and other community spaces to be identified by the Service Provider.
- 14) Provide a menu of educational, arts and recreational activities for at least 200 unduplicated multiethnic youth living in each community ages 6-19; approximately 100 of these youth should be ages 9-13. Youth of all income levels may be served through this contract. For the larger communities, a minimum 125 youth should be served in the community.
- 15) Activities for the youth shall include a wide variety of activities to respond to various interests and needs such as: fitness-oriented activities, arts and crafts, field trips, educational components, service-learning projects, environmental activities, and soccer. Service provider shall work closely with SHA identified community stakeholders to adjust activities and times to meet the needs of the community. Activities offered shall appeal to all genders and may include gender-specific activities.
- 16) Activities should be free for SHA residents. Activities may include one-time events as well as on-going classes. Residents have indicated that they prefer a menu of services that they can sign up for and/or drop into at various times throughout the day based on their schedule. SHA is not looking for a summer camp that lasts all day long for a few youth, but rather a number of different classes and activities some of which allow registration while others allow drop in attendance.

- 17) Activities may include, but are not limited to the following:
 - a) Weekly activities offered through external instructors, agencies, or community members. Activities may be provided by subcontractors or through Service Provider to the youth. Please include examples of activities you will offer like sports and educational activities, swimming, sewing, drill team, basketball, soccer, group games, cooking, and gardening. Variety of activities including soccer is particularly encouraged as part of the proposal.
 - b) Field trips shall incorporate art and physical activity components, these could include, but are not limited to photography, art, and history, and physical movement.
 - c) Educational components may include a focus on a variety of topics, including environmental education, as well as service learning, job skills, and college preparation. Other examples of activities include craft activities, arts, games, and a variety of other activities with the input of the youth and teens to make each day exciting and fun. The purpose of combining the many different activities planned is to provide children and teens with exciting, enriching and educational programming during the summer.
- 18) If a Summer Sack Lunch Program is offered at the community site, work with the youth and families to support their participation in the program. This may include providing activities to support the lunch program. If a summer lunch program is not offered, strong proposals will include a plan to apply to be a summer lunch site through this contract.
- 19) Support an environment that promotes a continuous dialogue between the various ethnic groups in the community and that reinforces positive connections between youth in an effort to overcome ethnic divisions and strife.
- 20) Recruit youth to programming and activities provided through this contract as well as those through partner organizations that target SHA youth.
- 21) Work with other providers to offer complimentary activities to the youth during the programming hours.
- 22) Conduct timely and robust outreach to the parents and youth of the communities in several different formats, including but not limited to participation in community fairs, door to door visits, phone calls, flyers distribution and posting in areas frequently used by parents and youth. Partner with SHA Community Builders for community specific outreach and local SHA community newspapers.
- 23) Organize the parents of the youth to participate and play a role in the programming.
- 24) As possible, offer opportunities, training, and support for young people to take on leadership, responsibility, and decision-making within the process of developing summer activities.
- 25) Recognize and respect the knowledge, experience, and skills that young people have now, while still challenging them to enhance these skills and develop new interests and skills.

F. SELECTION PROCESS

An evaluation panel will rate all responses to this RFP that are received on or before the stated deadline, according to the criteria listed above. Based on its initial evaluation, the panel may:

1. Make a recommendation to SHA’s Executive Director and request authority to negotiate a Contract with one or more proposers; or
2. Request additional information from the proposer or proposers whose responses appear to have the greatest likelihood of success; and/or
3. Invite one or more proposer whose responses appear to have the greatest likelihood of success to attend an interview/presentation to discuss their proposal; and then make a recommendation to SHA’s Executive Director and request authority to negotiate a contract with one or more proposers.

SHA reserves the right to conduct reference checks at any time during the evaluation process.

In the event that information obtained from the reference checks reveals concerns about any proposer's past performance and their ability to successfully perform the contract to be executed based on this RFP, SHA may, at its sole discretion, determine that the Proposer is not a responsible proposer and may select the next highest-ranked Proposer whose reference checks validate the ability of the Proposer to successfully perform the contract to be executed based on this RFP. In conducting reference checks, SHA may include itself as a reference if the Proposer has performed work for SHA, even if the Proposer did not identify SHA as a reference.

By submitting its proposal in response to this RFP, the consultant accepts the procurement method used and acknowledges and accepts that the evaluation process will require subjective judgments by SHA and the evaluation panel.

Any protest of the selection process shall be resolved in accordance with SHA's Procurement Policies, which may be reviewed at the following web site address:

<https://www.seattlehousing.org/sites/default/files/Procurement%20Policies.pdf>

G. CONTRACT NEGOTIATIONS

SHA shall negotiate with the most qualified Proposer or Proposers, as determined by evaluation of the responses and, if applicable, interviews. If SHA is unable to reach agreement with any of the highest ranked firms, it may negotiate with the next highest ranked firm or firms, proceeding in turn to each firm that SHA has determined to be qualified, in order of rank. If agreement cannot be reached with any qualified firm, SHA reserves the right to cancel the solicitation.

SHA and the selected consultant will negotiate a general Scope of work to be included in the Contract. The Contract will not include any funds. Any work assigned under the Contract will be assigned by Work Order(s) to the Contract. Each Work Order will stand alone and have a Scope of Work, schedule and Cost proposal. Invoices will be required to identify the Work Order it is for.

SHA expects to execute one or more Contracts for services for one year. At SHA's option, a Change Order may be executed extending the Contract(s) for up to four additional one-year periods, along with appropriate adjustments in the scope of work and compensation. The Contract shall not exceed five-years.

H. ADMINISTRATIVE INFORMATION

1) Small and/or Disadvantaged Business Enterprise Requirements: SHA strongly encourages minority-owned and women-owned businesses, socially and economically disadvantaged business enterprises, HUD Section 3 businesses, small businesses and veteran-owned businesses to submit proposals, to participate as partners, or to participate in other business activity in response to this RFP.

As outlined in more detail in Section D, SHA has also included a 14% Women and/or Minority Business Enterprise (WMBE) aspirational participation goal. Consequently, in responding to the solicitation, submitters must include an Inclusion Plan demonstrating good faith efforts in seeking meaningful opportunities for WMBEs in the work of the Contract.

A. Section 3 Contract Language: The following language regarding Section 3 will be included as part of the contract to be executed based on this RFP.

Without limiting the generality of the foregoing, Consultant shall comply, and shall require its subcontractors and subconsultants to comply, with the requirements of 24 CFR 75.9. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the Section 3 Laws.
3. The Consultant agrees to include this Section 3 clause in every subcontract, and to otherwise take all necessary steps to ensure compliance with the Section 3 Laws by its subcontractors and subconsultants. The Consultant agrees to take appropriate action, as provided in an applicable provision of the subcontract in this Section 3 clause, upon a finding that the subcontractor or subconsultant is in violation of the Section 3 Laws. The Consultant will not subcontract with any subcontractor or subconsultant where the Consultant has notice or knowledge that the subcontractor or subconsultant has been found in violation of the Section 3 Laws.
4. The Consultant will provide certifications in form and substance required by Owner at such times as Owner may request, certifying (i) its compliance with the Section 3 Laws, and (ii) as to such facts and circumstances pertaining to the Section 3 Laws as Owner may require or request, including, without limitation, certification with respect to total number of labor hours worked under this Agreement, labor hours worked by Section 3 Workers (as defined in the Section 3 Laws), and labor hours worked by Targeted Section 3 Workers (as defined in the Section 3 Laws).
5. Noncompliance with the Section 3 Laws may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

6. Each party agrees to perform any further acts and execute and deliver any further documents that may be reasonably necessary to carry out the provisions and intent of this Section or otherwise to ensure performance in compliance with the Section 3 Laws.

- 8) Funding Availability:** By responding to this RFP, the Proposer acknowledges that for any contract signed as a result of this RFP, the authority to proceed with the work is contingent upon the availability of funding.
- 9) For-Profit Subgrantee and Contractor Certifications and Assurances Form:** In the event that the Contract for these services includes any Federal Grant Funds, the Consultant must submit a completed and signed Certifications and Assurances Form (copy attached to this RFP) for itself and each sub-consultant, if known will be utilized on the Contract. Such minimum limits of liability requirements shall not be construed to limit the liability of the Consultant or of any of their respective insurers. The Consultant shall include the Owner as an additional insured for primary and non-contributory limits of liability for the full valid and collectible limits of liability maintained by the Consultant whether such limits are primary, excess, contingent or otherwise. This provision shall apply regardless of whether limits maintained by the Consultant are greater than the minimum limits required by this Contract, and regardless of whether the certification of insurance by the Consultant specifies lower minimum limits than those specified for or maintained by the Consultant.

SIGN BELOW:

Signature of Authorized Representative of Vendor:	Date:
---	-------

By signing immediately above, the Vendor hereby represents the following:

- a) The Vendor certifies that to the best of its knowledge and belief, neither it, nor any person/principal or firm which has an interest in the Vendor's firm, is ineligible to participate in a SHA contract, purchase order, direct pay or other transaction, pursuant to the Certification of Eligibility provision specified in the Vendor Fact Sheet Instructions, or;
- b) The Vendor will comply with SHA's General Terms and Conditions applicable to Purchase Orders, if the Vendor will be supplying goods and/or services through an SHA Purchase Order.

To obtain a copy of the General Terms and Conditions, call (206) 615-3379 or visit our Web site at <https://www.seattlehousing.org/sites/default/files/Purchase Orders Terms Conditions.pdf>

Thank you for your interest in doing business with the Seattle Housing Authority (SHA). We look forward to doing business with you. If you have any questions about completion of the Vendor Fact Sheet, please call us at (206) 615-3379.

In order for SHA to make payments to you or to procure goods or services from you, we need the information requested on the Vendor Fact Sheet, which also serves as a substitute IRS W-9 Form. The information about you will be entered into our computerized payment system and will allow us to make required reports to the Federal government about our business and payment transactions.

Substitute IRS Form W-9 Certification: In completing the Vendor Fact Sheet, you must sign the “Substitute IRS Form W-9 Certification” or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct taxpayer identification number to SHA, you must cross out the portion of the certification after the word “and” in line two, through the end of line five, before signing the form. Detailed instructions about IRS Form W-9 are included on the form, which may be obtained by calling our office at (206) 615-3379 or visiting the IRS web site at www.irs.gov.

Certification of Eligibility: In order to do business with SHA, the Vendor must be eligible to:

- 1) Be awarded contracts by any agency of the U.S. Government, HUD, or the State in which this Contract work is to be performed; or,
- 2) Participate in HUD programs pursuant to 24 CFR Part 24.

The websites to verify eligibility of the firm and its principals are: <https://www.sam.gov/SAM> and http://portal.hud.gov/hudportal/HUD?src=/topics/limited_denials_of_participation. By signing the Vendor Fact Sheet, the Vendor understands that the certification of eligibility is a material representation of fact upon which reliance was placed when SHA agreed to enter into the transaction with the Vendor. SHA may require the Vendor to submit such certification on an annual basis depending on the terms of its contract or the frequency of its business transactions with SHA. If the Vendor subcontracts any portion of the work, the Vendor will be required to submit a similar certification of eligibility to SHA for any Vendor subcontracts. Any written contract executed between SHA and the Vendor shall include these provisions, which may also be referred to as Suspension/Debarment provisions.

Contract Payments: Unless SHA grants a waiver, its method of contract payment for contracts of one million or more is through its Bank of America e-payables program. Payments will be made electronically through a virtual Visa credit card. Benefits for using this method include reduced labor costs associated with the processing of checks and enhancing cash flow by eliminating float time associated with the mailing of checks. To learn more about the program, please click here or copy and paste the following URL into your browser: www.bankofamerica.com/epayablesvendors. For new vendors, SHA will automatically send an enrollment form upon contract award. HUD Section 3 Information and Section 3 Forms

To: Vendors, Contractors, Consultants of the Seattle Housing Authority of the City of Seattle

Re: Updates to HUD's Section 3 Regulations

As you are probably aware, Section 3 is a federally mandated program of the U.S. Department of Housing and Urban Development (HUD).

Under Section 3 of the HUD Act of 1968, federal funds invested in housing and community development shall provide contracts, employment, training, and other economic opportunities to low- and very low-income persons in the local jurisdiction, referred to as "Section 3 Workers," and to businesses that employ such persons, referred to as a "Section 3 Business Concern."

HUD's regulations implementing the requirements of Section 3 were updated in 2020 to create more effective incentives for employers to retain and invest in their low- and very low-income workers, streamline reporting requirements by aligning them with typical business practices, provide for program-specific oversight, and clarify the obligations of entities (including SHA) that are covered by Section 3. SHA complies with Section 3 within its own operations and ensures the compliance of its vendors, contractors and consultants.

The updated rule establishes these benchmarks:

1. Twenty-five (25) percent or more of the total number of labor hours worked by all workers employed with public housing financial assistance in the Public Housing Authority's or other recipient's fiscal year are Section 3 Workers;
2. Of which Five (5) percent or more are Targeted Section 3 Workers.

The updated rule includes the following definitions:

1. Section 3 Worker means any worker who currently fits or when hired within the past five years fit at least one of the following categories, as documented:
 - a. The worker's income for the previous or annualized calendar year is below the income limit established by HUD. HUD's income limits can be obtained from: <http://www.huduser.org/portal/datasets/il.html>
 - b. The worker is employed by a Section 3 Business Concern.
 - c. The worker is a YouthBuild participant.
2. For Section 3 projects, a Targeted Section 3 Worker means a Section 3 worker who:

- a. Is employed by a Section 3 Business Concern: OR
 - b. Currently fits or when hired fit at least one of the following categories, as documented within the past five years:
 - i. A resident of public housing or Section 8-assisted housing;
 - ii. A resident of other public housing projects or Section 8-assisted housing managed by the Public Housing Authority that is providing the assistance;
or
 - iii. A YouthBuild participant.
3. Section 3 Business Concern means a business concern meeting at least one of the following criteria, documented within the last six-month period:
- a. It is at least 51 percent owned and controlled by low- or very low-income persons;
 - b. Over 75 percent of the labor hours performed for the business over the prior three-month period are performed by Section 3 Workers; or
 - c. It is a business at least 51 percent owned and controlled by current public housing residents or residents who currently live in Section 8-assisted housing.

The following forms are to be used for reporting Section 3 compliance:
