

### YOU DESERVE SUCCESS & STABILITY!

If challenges come up and you need extra support, help is available.

# SHA HCV PROGRAM

## RESOURCE GUIDE

**Housing Counselors** empower Housing Choice Voucher participants to secure and maintain stable housing. Through personalized guidance, advocacy, and connections to community resources, they help individuals overcome barriers, strengthen stability, and build pathways toward self-sufficiency.

**Digital Navigators** are subject matter experts who help bridge the digital divide by advancing digital equity across devices, connectivity, and digital skills. Through equity-centered, asset-based coaching, workshops, and classes, they empower participants to fully engage in an increasingly digital world.
