Question 1. How many machines are needed?

Response: We need 81 machines with a possibility of more machines in the future.

Question 2. Is the business required to place machines at all of the locations?

Response: Yes, the business is required to place machines at all locations.

Question 3. Do we have an input on where the machines are located at the sites?

Response: The location of the machines can be discussed, but SHA will ultimately decide.

Question 4. How long is the contract for?

Response: The contract will be initially set for one year with a possibility of annual renewals up to seven (7) years.

Question 5. Can we set our own prices?

Response: Yes, but the prices will be considered during the evaluation process.

Question 6. Do we have access to the machines 24 hours a day once they are in the specified locations?

Response: No, there will only be access during SHA business hours, unless notified.
