

REQUEST FOR COMPETITIVE PROPOSALS

Yesler Terrace Block 6.6 Juniper Apartment Construction (Pre-Construction Services and Construction of a Seven Story Residential Building) (SHA Solicitation #5454)

The Seattle Housing Authority is soliciting proposals from experienced General Contractors, to participate on the design team for Pre Construction Services and to construct a seven story residential apartment building. Proposals will be evaluated for the Project Firm and Team Experience, Project Approach, Community Participation Program and Proposed Costs, including Preconstruction Services and other fixed fees. Final selection of the Contractor may involve an interview in determining the contract award.

PROJECT DESCRIPTION

The Yesler Terrace Block 6.6 Juniper Apartment Construction Project is a two-phase contract and includes General Contractor Pre Construction Services and Construction of a Residential building containing approximately 88 dwelling units, approximately 1,400 sf of community multi-purpose space, building management offices, and community P-Patch space. The seven story building includes one basement and two above-grade stories of concrete construction, and five stories of wood frame construction. Approximately 75 parking stalls will be provided on within the concrete structure. Site amenities include play areas outfitted with children's play equipment, landscape and hardscape, new sidewalks, street trees and planting strips.

The Yesler Terrace Phase IV project is funded in part with 4% tax credits, City Office of Housing funds, Tax Exempt Bonds and other SHA sources.

Questions will be answered via Addendum. Questions received later than the date and time above will not be responded to.

BID GUARANTY: Bid Security is not required.

SOCIAL EQUITY CONTRACT REQUIREMENTS – Section 3, MWBE, EEO and Apprenticeship: The Seattle Housing Authority strongly encourages Minority-Owned (MBEs) and Women-Owned Businesses (WBEs), socially and economically disadvantaged business enterprises, HUD Section 3 businesses, Veteran-owned and small businesses to submit proposals, to participate as partners, or to participate in other business activities in response to this RFCP. This Contract includes HUD Section 3 workers utilization goal requirements, WMBE utilization goal requirement, apprenticeship participation goal requirement, and an aspirational women and minority employment workforce goal.

ELECTRONIC REPORTING: The Owner has implemented a Web-based Labor Compliance Software Reporting System to enable online submission of certified payrolls as well as social equity reporting. The Contractor and all subcontractors will be required to attend the Owner provided training and will be required to use this web-based software reporting system for the submission of its certified payrolls and social equity reports.

The Contractor and all subcontractors will be required to utilize this web-based software reporting system to enter payroll information and submit payrolls on-line. The General Contractor is responsible for compliance of all subcontractors regardless of tier.

PREVAILING WAGES: The Contractor and all subcontractors will be required to comply with all prevailing wage requirements.

RIGHTS RESERVED: SHA reserves the right to waive as informality any irregularities in submittals and/or to reject any or all proposals. SHA requests that companies refrain from requesting public disclosure of selection information until a contract has been executed as a measure to best protect the solicitation process, particularly in the event of a cancellation or re-solicitation. With this preference stated, SHA shall continue to properly fulfill all public disclosure requests for such information as required by State Law.
