

Congratulations on Your New Home!

Welcome to the neighborhood! Upon moving in, you will need to set up your utilities. Homes in your neighborhood are serviced by **Seattle Housing Authority** for their garbage, food/yard waste, and recycling. Your water/sewage is serviced by Seattle Public Utilities (SPU).

Please call us at 206-716-1310 or email us at solidwaste@seattlehousing.org to set up your garbage, recycling, and food/yard waste services.

To set up your water/sewage service, please contact SPU at 206-684-3000.

Right Sizing

35 gallon containers are the most popular size, but we recommend choosing based on the size of your household.

Our average customer produces about 13 gallons of garbage per person each week. But many generate less! Here's how you can choose the container size that's right for your home.
